The applicant still intends to live on-site – correct?

I have attached the 600 ft. map for other STRs within 600 ft. as well as the minutes from the previous case on this site. I inherited this case from the previous case manager but what happened was BOZA approved the CUP but the applicant failed to register within 30 days. They then had to submit another formal application and hold another neighborhood meeting and it is now going back to BOZA for another public hearing. Please let me know if you have any questions.

Is there any information on non-resident or resident STRs within 600 feet?

I received notice of a STR request for this property but am unable to pull up any info. Do you have a report that you can send me
