Hello,

My name is Billy Simpson and I live at 2503 North Western Parkway. I am writing this letter to request consideration of an alternative plan, to improve the attractiveness of our privacy fence.

I have included a photo rendition of the updated improvement. I am proposing to cut 1 foot off the top and planting several bushes along the front, to add to its curb appeal. I understand it is currently a bit of an eyesore and I am willing to make an effort to change that.

We live in a high crime area and this fence protects our family, pets and the contents of a 3-car garage.

I appreciate any consideration to this matter.
Thank you,
Billy Simpson
