Joel,
Thank you for your time and for the information. I will unfortunately be unable to attend the meeting on Wednesday due to work obligations. Based on the PDF documents and information from Ms Stich, I also have concerns about the planned changes to the clubhouse. As I understand it, the developer's originally communicated plans, including the pool, are not equivalent to the clubhouse plans currently being proposed for revision. I trust Ms Stich to effectively voice my wife's and my concerns in our absence at the meeting. I can't speak for everyone, but it seems clear that a number of other residents are also concerned that the developer's proposed clubhouse plans are severely scaled back from the plans communicated as a matter of fact when they built in the neighborhood. It is my opinion that the clubhouse should offer the amenities originally communicated as a selling point to draw new residents to the neighborhood development. Thanks again for the information and have a very good day.

Please see the attached development plan detailing the proposed plan, staff report outlining the proposal and staff analysis, and the notification sent for this public hearing.

> Hello Joel. I'm a new resident in the Notting Hill subdivision. I heard there's a public meeting to discuss matters of the neighborhood. When and where is the meeting? Also, is there anything that can be sent to me for review before the meeting that details what is to be discussed? Thanks so much.
