Good morning,

I want to express my concern over this revision. The area is already very congested and in a floodplain. We are working with MSD to cease building any other homes in that area due to existing poor drainage conditions. Allowing this lot to be split into two and adding another potential home at the end of this very narrow and congested area is troublesome. If there is anything I can or should do moving forward, please let me know.

Thank you,

Brent Hagan | Mayor | City of Lyndon
