My name is Ralph Blankenbaker. I live at 600 Briar Hill Rd. Louisville 40206. I see that the neighbors behind me are now asking for a Variance so they may build a fence higher than 8 ft. The current fence they built a few years ago was probably 8ft. The results of this fence next to our 6' fence is a complete eyesore. I would like to speak with you before the meeting set for the 23rd of May. Please respond by calling or texting to 502-494-9145. I would like to know procedures to objecting to this variance request.
Thanking you in advance!
