Good morning,
Writing to express opposition to the garage the residents of 506 Tiffany Lane want to build. I live at 513 Tiffany Lane, across the street from 506. The City of Rolling Fields is in opposition to the variance request, as am I, and other adjacent neighbors. I would appreciate our zoning to be respected. I do not want our circular, hillside street to have an over large garage taking over everyone's views against city and neighbors' wishes. It's a beautiful street and this would be an eyesore for dozens of families. Please do not make special accommodations for this request.

Thank you,
Dorsey Swindall
