Amy,

I was unable to attend the meeting for this conditional use permit on the 14th since I was out of town.

I live at 1609 Speed with my family and am very much against this conditional use permit if it is going to be for an Air-BNB or VRBO
or any short term rental. I've lived near an AirBNB in the past and there generally is no recourse for problems encountered by guests
among a myriad of other problems these things bring to neighborhoods. Also the people the own the house don't even live
here which makes it even less likely something would be done if there is a problem.

Please register us as against this permit.

Thanks,
Jason Bradley
