To whom it may concern - I live at 421 Country Ln and am writing to voice my support of the zoning variance at 506 Tiffany Lane. Like many other homes in our neighborhood, the owners of Tiffany Lane have done an amazing job over the past 2 years, transforming an eye sore into one of the most beautiful homes in the neighborhood. Adding a garage would complete this renovation and add significant value to the home. I feel that a 4 foot variance at a single point of the garage is warranted given the unique shape of the lot. Furthermore, the value added by this change (and all of the other changes done to the home), will positively impact the value of homes throughout the neighborhood.

I appreciate your time and consideration.

Thanks,
Brent Stice
