Will do; thank you , Jeff (and everyone else!)

Dr. Shanklin, will you please respond to this email with your permission for me to sign for you for this CIF?

Thank you,

There are concrete benches at both bus stops. I'm sure the benches have concrete pads. Thanks

Yes, if concrete pads are needed this will increase the overall cost.

Hi Jeff,

Should I just go ahead and wait until next week to create an NDF for this? I'm sure that if concrete pads are necessary, that that will affect the cost.

Thank you,

SWMS will accept funds for receptacles.

Jeff- Have the listed locations been approved and will concrete pads be needed?

Thank you for this response. Based upon this estimate, two cans would come out to \$1610.

If that sounds right, could someone please respond to this email indicating that Public Works will accept the funding of \$1610 from D-2 NDF for the two metal trash cans to be placed near the bus stops at E. Indian Trail and Unseld Blvd. (closest address is 4700 E. Indian Trail).

Thank you,

Amy & Antonio,

CW Shanklin is interested in getting two trash cans for the bus stops at Indian Trl & Unseld. Could you all let us know the current cost per can so funds can be appropriated?
