Hello , my name is Minnie Wilson. I live in the 1600 block of Cedar street. I am a home owner and resident of Russell for 30+ years. I am opposed to this facility operating out of a house built for single family use. Our neighborhood is already saturated with various types of these facilities. I and the majority of my neighbors are in agreement. We do not want this . This program is already operating illegally. It did not follow protocol and procedures. Please respect the wishes of our community members and shut this down now. Thank you .
