To the Rolling Fields Commission.

I live at 415 Country Lane and am writing to voice my support of the zoning variance at 506 Tiffany Lane. The owners of Tiffany Lane have done an amazing job over the past 2 years with their renovation. Adding a garage would complete this renovation and add significant value to the home and neighborhood. I do not see the issue with 4 ft variance at a single point of the garage, as their lot size is odd and unique. Hopefully you will see how this will add to the neighborhood, not take away.
