

EASEMENT FOR WATER UTILITIES

The spaces outlined by dashed lines and marked "Water Easement" are hereby reserved as easements for water lines and appurtenances thereof including the right to construct, operate, maintain, repair and remove such water lines and appurtenances, the right of ingress and egress over all lots to and from the easements, and the right to cut down any trees within the easement that may interfere with the construction and operation of said lines. No permanent structure shall be erected within the easements. Fences, shrubbery and gardens may occupy the easement areas at the property owner's risk.

OWNERS: L. LEROY HIGHBAUGH And SON

L. Leroy Highbaugh, Jr. PRES.

EASEMENT FOR SANITARY AND STORM SEWER UTILITIES

An easement for sanitary sewer and drainage purposes is hereby reserved on, over and under the strips of land and spaces as defined and bounded by dashed lines, marked "Sewer and Drain Easement," together with the right of ingress and egress over all lots to and from the easements for construction, operation and maintenance of sewers and drains over said land. No permanent structure of any kind is to be placed on, over or under the land which is subject to said easements. The easement shall be for the benefit of the land in the subdivision and other land which naturally drains therein, and said sewers and drains may be constructed by the JEFFERSON-TOWN WATER AND SEWERAGE COMMISSION or any other public agency having legal authority for such construction, or by others subject to approval by the aforesaid COMMISSION.

OWNER: L. LEROY HIGHBAUGH And SON

L. Leroy Highbaugh, Jr. PRES.

EASEMENT FOR ELECTRIC AND TELEPHONE UTILITIES

The spaces outlined by dashed lines and marked "Electric and Telephone Easement" are hereby reserved as easements for electric and telephone utility purposes, which includes: (1) The right of ingress and egress over all lots to and from the easements; (2) The right to cut down or trim any trees within the easement; (3) The right to cut down or trim any trees outside easement (a) within ten (10) feet of any line of electric or telephone lines, or (b) within ten (10) feet of the closest conductor within the easement, or a public way, or the right to cut down or trim any trees on private property that be so defective as to present a hazard to the utility lines after reasonable notice to the property owner; (4) The right of any utility company having said easement to remove permanent structures or obstructions within the easement. No permanent structures shall be erected within the easement. Fences, shrubbery and gardens may occupy easement area at property owner's risk. The developer remove all trees that may interfere with the original construction of the electric lines and telephone lines to serve this subdivision. Full rights are granted to overhanging lots with service wires to serve other lots.
