Summary of Neighborhood Meeting

- **Multiple Short Term Rental Permits/Applications in the Area**
 - Clifton Council will oppose any STR Applications within 600ft just as Louisville Metro Council does

 - Limited street parking available and concern over increasing the number of cars searching for street parking
 - Response: 196 Coral Ave has rear parking available currently, with space for additional rear spaces in the future
- **Occupancy Limits**
 - Concern over having large capacity limits on the Short Term Rental websites
 - Concern that hosts may not adhere to the occupancy limits outlined by the Louisville Metro Guidelines
 - Neighbors would be in favor of limits being set lower than the Louisville Metro guidelines
 - Response: Property owners will adhere to the maximum limits provided by Louisville Metro and are also open to reducing depending on the final layout of the home
- **Noise Created by Guests**
 - Other Short Term Rentals in the area have produced large amounts of noise in the past
 - Desire for each neighbor to be provided with contact information of the owner in order to contact them in the event of loud noise or other disturbances

- **Impacts to Short Term Rentals on Neighborhood (& Greater City)**
 - Concern that Short Term Rentals have a negative impact on availability of affordable housing with the community and the greater city
 - Concern with not having a stable neighbor to coerce with

 - Owner has the intention of personally managing the property and will be making frequent visits, even when it is vacant
- **General Preference for Long Term Rentals over Short Term Rentals**
 - Neighbors prefer Long Term Rentals in their neighborhood to reduce the concerns above related to the impact of Short Term Rentals in the neighborhood
 - Neighbors suggested operating 1 Long Term Rental and 1 Short Term Rental on the property
 - Response: Owner is open to this suggestion depending on the circumstances and will investigate the opportunity to do so
