I am writing in support of the conditional use permit for 1214 Swan Street.
I would like to attend the BOZA meeting but I have a prior family commitment.
I did attend the open house.
The subject property is in a very unusual and unique location.
There are only two residences nearby.
There are three commercial businesses across the street including a very popular late-night bar/restaurant (Kaiju).
It is basically isolated as it sits behind the Jim King Memorial Rain Garden.
I have known Glenn and Paige Davis for many years and know that they will be attentive homeowners and a welcome addition to the neighborhood.

Respectfully,
