Also, District 1 will be preparing a \$39,073.07 CIF request to cover the remaining cost of the projects. Please add these projects, amounts and account numbers to your Monthly Sidewalk Repair Report. Thank you.

There is \$10,208.93 of old money available to use toward the D1's sidewalk repair project(s) and \$19,531.75 is available for D1 street paving project(s).

The below two sidewalk repair projects total \$49,282.00. Does D1 plan to have both sidewalk repair project completed? If yes, then D1 can use the \$10,208.93 old funds and \$39,073.07 from its CIF account to pay for the projects. Please advise as soon as possible.

Also, D1 needs to identify street paving project(s) to be funded with the \$19,531.75 old funds as soon as possible. Thanks.
