SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

The Jefferson County Public Education Foundation (JCPEF) works to advance the education of the county's citizens by providing financial support for JCPS and its initiatives. The foundation was incorporated in 1983 as a nonprofit organization under IRS 502(c)(3). JCPEF is making this request on behalf of Jefferson County Public Schools (JCPS) specifically for Southern High School.

Southern High School is applying for these funds to support Deeper Learning toward the mastery of both academic standards and the development of capacities and dispositions necessary for the success in college, career, community, and life. Goal: Preparing the whole child at every level, breaking down any mental health barriers that stand in the way of their success. Strategies: To provide equitable access by providing mental health support and resources to enable and to eliminate achievement, learning, and opportunity gaps that have resulted in students' needs for more support in mental health.

Southern High School Youth Services Center will be the bridge among families, school, and the community. The center has adapted to NTI virtual learning during the pandemic and continues to be flexible when supporting family needs. Such examples include, but not limited to, virtual therapy services through approved telehealth therapists, and offering personal protective gear to students and families year round. Southern has measures in place for smooth transitioning and continuation of programming in the event that there would be a need to return to NTI virtual learning.

Students and families will feel comfortable entering the center or virtually communicating at any time and sharing personal information by knowing that the center operates under strict confidentiality. The center will address the physical, social, and educational needs of the community, providing opportunities for academic enrichment, social, and recreational activities, and access to other human service providers. Center personnel will maintain active and cooperative relationships with students and their families, community representatives, and school personnel. The center will maintain an open door policy that welcomes all members of the community seeking assistance at any time. The Center functions as a safe haven that is a source of support and resources for the entire school.

Type text here

The Youth Services Center provides a variety of services to assist students and their families. During the 2021-2022 school year, our center conducted 1,969 individual interventions for students and parents, as well as 3,500 group interventions. Within those interventions, 25% fall under the mental health component. Other interventions provided by our center included Academic Support, Employment and Career Development, Health, Parent Skills/Family Support, and Prevention Activities. Additionally, 36% of our parent/guardian survey's conducted, were in favor of student mentoring for behavioral aspects as well as to build towards student's success with college and career preparedness.

SECTION 5 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

Beginning in August 2022 through June 2023, contracted therapists will be paid up to \$75.00 per hour for group and individual counseling. As students are identified as needing mental health services through staff referrals, self-referrals, and/or YSC interventions, they will be placed in the appropriate program or for individual counseling. We will also provide group mentors to service 10-20 students per group. These mentor groups will be contracted through JCPS at a rate of \$50 per hour and can meet 1-5 times per week with once per week being the expectation, and any additional times to be used for outings or family engagement. For 2021-22, we increased to two therapists from Seven Counties, carried a full caseload for our Mental Health Therapist, kept a full caseload for our private, grant-funded therapist, Jacqueline Spaulding, and then brought on board two additional therapist towards the end of the year in order to offer diversity in our selections, as well as attempting to avoid overcrowding case loads. For individual therapy, our center referred 147 students. For group and mentor sessions, we had availability and filled spots for 138 students in order to give them a greater sense of self-belonging to our school. We have plans in place to introduce at least 3 more group opportunities for the upcoming year. With 86% of our students on free/reduced lunch, we feel the necessity to allow students a greater opportunity for inclusion and success.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

Licensed therapists will be paid up to \$75 per hour for virtual or in-person sessions with students and families. This will be specifically for low-income families who cannot otherwise afford the medical copayments and/or do not have insurance. JCPS contracted mentors will be paid up to \$50 per session for 10-20 students per group. \$500 will be used for center ~~operating expenses~~/office supplies.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

C: If this request is a fundraiser, please detail how the proceeds will be spent:

Request is not a fundraiser

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:

- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

Because the Metro Council approval date is usually finalized after we need to begin our therapy services, the Youth Services Center would like to begin the programs in August or early September and pay for the services, then be reimbursed from the grant funds once available. Invoices and documentation will be provided.

Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):

- ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
- ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

The YSC will use the funds to contract therapists who will serve students and families of Southern High School via telehealth or in-person sessions. We may also use funds to pay contracted student mentors for groups of up to 20 students each. These contracted professionals will provide supports in the areas of: self-esteem, substance abuse, health groups, grief workshops, bullying, academic and career support, making positive and health choices, etc. With the tools and skills to make better choices, students' self-esteem will improve, academics and attendance will increase, leading to better career opportunities. Each student will be monitored with data extracted from our Infinite Campus system. We will monitor grades, attendance, and behavior, all of which will be shared with our therapists and mentors, and have scheduled meetings with parents as needed. Students will also be given a pre- and post survey to complete on any program or individual support they encounter. Teachers and staff provide feedback about positive changes in student's behavior.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

Our center has a wide array of community partners, many of who volunteer their time in order to contribute to the development of our students in various ways, but with an emphasis on mental health.

HOPE Collaborative: Adults from Okolona Christian Church pair with small groups of 4 students each in order to provide mentoring once per week.

US Bank-Representative mentors up to 20 females for free, once per week, mental health and finances

Big Brothers/Big Sisters: partnered with Churchill Downs and LG&E for the school-to-work program. 15 students in each co-hort visit the assigned business to partner up with an assigned employee once per month. Cost is free to Southern High School

Sisters for Life mentors 15 black females once per week during school hours. Focused on mental health, positive choices, family engagement. Cost is free to Southern High School.

On the Ryse mentors 30 black males once per week during school hours. Mental Health and family engagement focus. Cost is \$50 per session.

Best College Match: Free program to follow selected students and families (up to 15) throughout high school and offer monthly coaching sessions for college and scholarships.

Southern HS also collaborates with Kentucky Derby Museum and Second Stride Retired Thoroughbred Farm to offer monthly family engagement events.

Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Independent Auditor's Report

Board of Directors
Jefferson County Public Education Foundation, Inc.
Louisville, Kentucky

We have audited the accompanying financial statements of **Jefferson County Public Education Foundation, Inc.**, which comprise the statements of assets and net assets – modified cash basis as of June 30, 2021 and 2020, and the related statements of revenues and support, expenses, and changes in net assets – modified cash basis, functional expenses – modified cash basis, and cash flows – modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Jefferson County Public Education Foundation, Inc.** as of June 30, 2021 and 2020, and the changes in its net assets for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

JEFFERSON COUNTY PUBLIC EDUCATION FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

(1) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Nature of Operations

The Jefferson County Public Education Foundation, Inc. (the "Foundation") is engaged in the solicitation and receipt of gifts, grants, and contributions from individuals, groups, corporations, and other sources, public and private, to assist and support the public school system of Jefferson County, Kentucky. The Foundation also engages in other activities to advance the education of citizens of Louisville and Jefferson County, Kentucky. The Foundation qualifies as a non-profit organization under Section 501(c)(3) of the Internal Revenue Code and is, therefore, exempt from federal and state income taxes.

Basis of Presentation

The accompanying financial statements are presented on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, revenues are recognized when received rather than when earned and expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred. This basis differs from accounting principles generally accepted in the United States of America primarily because the Foundation has not recognized donor pledges or in-kind donations.

The Foundation reports net assets and revenues, expenses, gains, and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Net assets with donor restrictions - Net assets subject to donor-imposed restrictions (donors include other types of contributions, including makers of certain grants).

Net assets without donor restrictions - Net assets not subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants).

Certain prior year accounts have been reclassified to conform with current year presentations.

Investments

Investments in marketable securities with readily determinable fair values are measured at fair market value in the statement of net assets. The unrealized gains or losses on investments are included in the change in net assets. Gains and losses on the marketable securities are determined based upon the specific securities sold.

Revenues and Support

On July 1, 2019, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This was applied on a modified prospective basis to agreements that were not completed July 1, 2019, or that were entered into after that date. The adoption did not have any impact on the timing of revenue recognition as of the adoption date and did not result in a cumulative effect adjustment to net assets.

JEFFERSON COUNTY PUBLIC EDUCATION FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2021 AND 2020

(1 - continued)

All contributions are considered available for use without restrictions unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with restrictions that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the entity reports the support as without restrictions.

The Foundation records multi-year pledges in the period in which the contribution is received under the modified cash basis of accounting.

Expense Allocation

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Foundation.

Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the financial statements do not provide for income taxes.

The Foundation has implemented the accounting guidance for uncertainty in income taxes. Under that guidance, tax positions need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of June 30, 2021, The Foundation has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Foundation files federal income tax returns. The Foundation is not currently being examined and management believes its tax-exempt status would be upheld under examination.

(2) **LIQUIDITY**

The Foundation's financial assets available within one year of the statement of financial position date for general expenditure are as follows:

	<u>2021</u>	<u>2020</u>

As part of the Foundation’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures and other obligations come due. In addition, the Foundation invests cash in excess of daily requirements in short-term investments such as treasury notes, corporate bonds, mutual funds, equities, and exchange traded funds.

(3) CASH AND CASH EQUIVALENTS

The Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

The Foundation maintains its cash in bank deposit accounts, which, at times, may exceed FDIC limits. However, the amounts in excess of the FDIC limits exposed to credit risk are secured by United States Treasury repurchase agreements pledged by the Foundation's bank and held in the Foundation's name.

JEFFERSON COUNTY PUBLIC EDUCATION FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2021 AND 2020

(7) ENDOWMENT

During 2017, the Foundation received a \$1,068,505 contribution to be used as a permanent endowment to fund scholarship programs.

As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Absent explicit donor stipulations to the contrary, the Board of Directors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Foundation classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

Investment Return Objectives, Risk Parameters and Strategies. The Foundation has adopted investment and spending policies, approved by the Board of Directors, for endowment assets. Those policies attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. The Foundation plans to invest endowment assets in a well-diversified asset mix, which includes equity and fixed income securities. The Foundation expects its endowment assets, over time, to achieve a positive rate of return at a rate in excess of inflation. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to prevent exposing the fund to unacceptable levels of risk.

Spending Policy. The Foundation has a policy of appropriating for distribution each year of an amount equal to or less than net income on investments. The Foundation expects the current spending policy to allow its endowment funds to grow, which is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

(8) **FAIR VALUE MEASUREMENTS**

The Foundation has adopted the provisions of ASC 820 *Fair Value Measurements*, for financial assets and financial liabilities. The Association has no nonfinancial assets or nonfinancial liabilities determined at fair value.

ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that prioritizes the use of inputs used in valuation methodologies into the following three levels:

Level 1: Inputs to the valuation methodology are quoted prices, unadjusted, for identical assets or liabilities in active markets. A quoted market price in an active market provides the most reliable evidence of fair value and shall be used to measure fair value whenever available.

Level 2: Inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets; inputs to the valuation methodology include quoted market prices for identical or similar assets or liabilities in markets that are not active; or inputs to the valuation methodology that are derived principally from or can be corroborated by observable market data by correlation or other means.

JEFFERSON COUNTY PUBLIC EDUCATION FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2021 AND 2020

(8 – continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 assets and liabilities include financial instruments whose value is determined using discounted cash flow methodologies, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. The table below presents the balances of assets measured at fair value on a recurring basis as of June 30, 2021 and 2020.

Treasury notes, Mutual Funds, Exchange traded funds, and Equities. Mutual funds, exchange traded funds, and equities are reported at fair value on a recurring basis. These securities are classified as Level 1 of the valuation hierarchy where quoted market prices from reputable third-party brokers are available in an active market. If quoted market prices are not available, the Foundation obtains fair value measurements from independent pricing services.

Corporate Bonds. Bonds and treasury notes are reported using Level 2 inputs and the fair value measurements consider observable data that may include dealer quotes, market spreads, cash flows, U.S. government and agency yield curves, live trading levels, trade execution data, market consensus prepayment speeds, credit information, and the security's terms and conditions, among other factors.

The Foundation's valuation methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While management believes the Foundation's valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

(9) **SUBSEQUENT EVENTS**

The Foundation has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through September 28, 2021, the date these financial statements were available to be issued. The Foundation has determined that there are no such subsequent events.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Jefferson County Public Education Foundation, Inc. are described in Note 1 to the financial statements.

No new accounting policies were adopted and the application of all other existing policies was not changed during the year ended June 30, 2021. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The financial statements contain no particularly sensitive estimates.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The financial statements contain no particularly sensitive disclosures.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such adjustments were proposed as part of our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 28, 2021.

Management Consultations with Other Independent Accountants

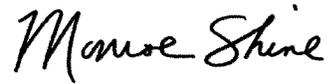

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
