Request(s)

- **Change-in-Zoning** from R-5B to OR-1

- **Detailed District Development Plan**

Case Summary

- Current use is office
- Non-conforming to the R-5B district
- No change in use proposed at this time
- Request to facilitate future commercial use
- No improvements to the structure
- Parking areas in front and curb work along Barret Ave will be performed

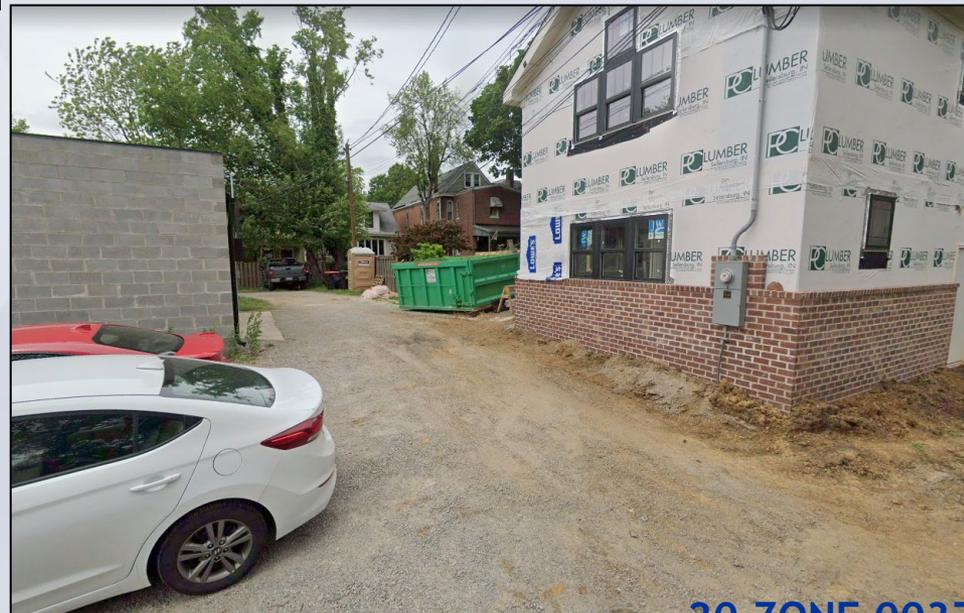

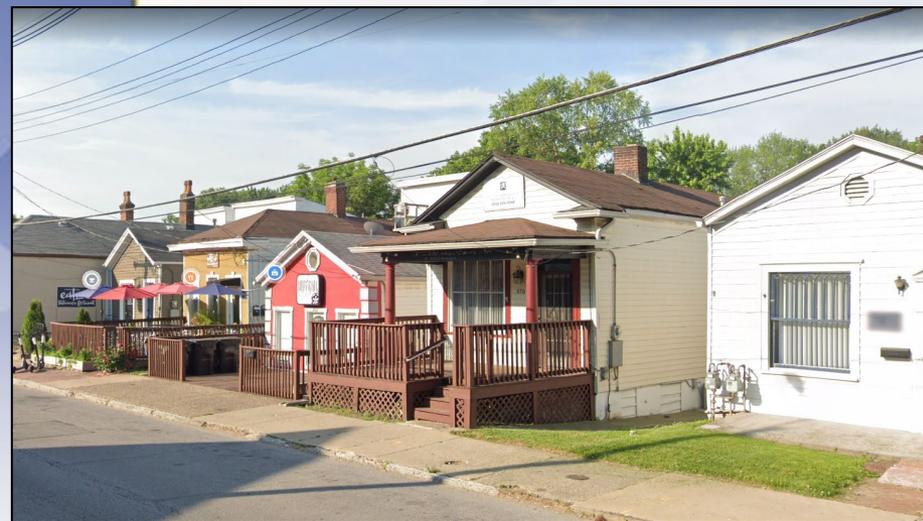

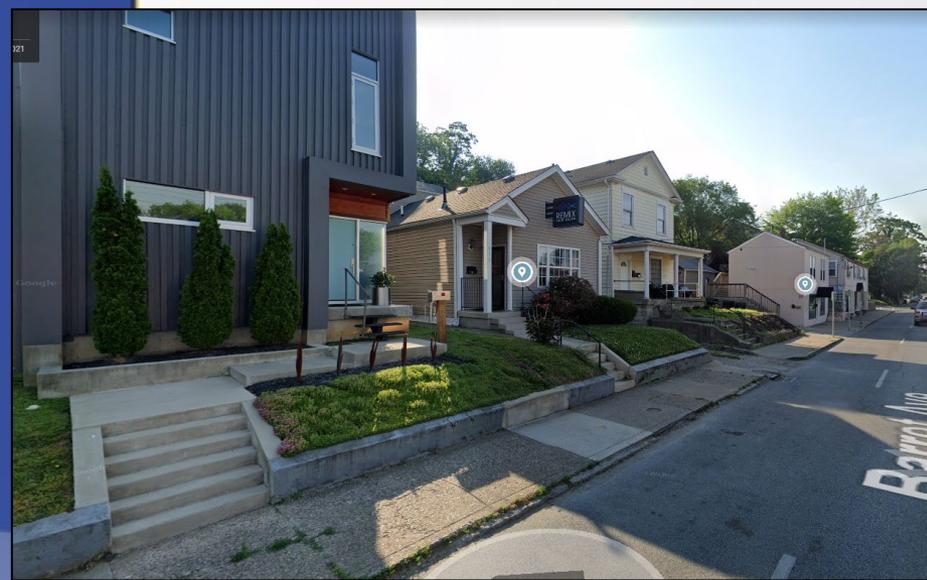

Neighborhood Plan

- The Original Highlands Neighborhood Plan (2006) applies to the site. The plan recommends this area to be the Barret Avenue Arts District. The Plan recommends the area across Barret Avenue from the site be re-zoned to C-R while the site was recommended as R-5B. An areawide change in zoning (case #16074) was approved for the site in 2013. It appears that the prior zoning on the site before the areawide change in zoning was C-1.
