This case is a request for rezoning for the property located behind the new Taco Bell on Shepherdsville Road. The proposal is to rezone the area in order to construct a self-storage facility.

My husband and I received a "notice of public hearing" on the above mentioned. It is held on a weekday in the middle of the day when most people have to work. Can you tell us what this is in regards to? What is being proposed to be built?

Thank you.
