PETITION RE: 1614 JOHNSON RD, LOUISVILLE KY

We, the undersigned, object to the proposed project at 1614 Johnson Road (Case# 22-FFO-0003, Case# 22-MSUB-0004) for the following reasons.

The project, located within the Floyd's Fork Special District (DRO), will

1. Add intolerable traffic to Johnson Road, a designated Scenic Corridor (LDC 3.1., LDC 7.3.10).
2. Endanger the public's safety due to its location on Johnson Road—a very dangerous state road with no KDOT plans/money for improvement or alteration (LDC 6.1.1).
3. Cause unreasonable environmental impacts to the Floyd's Fork watershed and surrounding properties, despite MSD-approved planned mitigation (LDC 4.6.2).
4. Violate the *intent & purpose* of the DRO (LDC 3.1-9).
5. Degrade and demote the "orderly and beneficial development of such areas" (LDC 1.1.5).
