

ORDINANCE NO. _____, SERIES 2021

AN ORDINANCE AMENDING SECTIONS 131.01 AND 131.02 OF THE LOUISVILLE METRO CODE OF ORDINANCES (“LMCO”) RELATING TO THE DISPLACEMENT OF HOMELESS PERSONS FROM CAMPS.

SPONSORED BY: COUNCIL MEMBERS FOWLER AND HOLTON STEWART

WHEREAS, children deserve access to their school’s or child care center’s outdoor spaces, whenever their schedule and the weather allows; and

WHEREAS, there is a heightened need for sanitation in the outdoor spaces of our local schools and child care centers; and

WHEREAS, the current ordinance regarding notice to homeless persons requires a 21-day notice before a person may be displaced from a camp on Metro property, regardless of the proximity to a school or child care center; and

WHEREAS, Metro Government has entered into a Memorandum of Understanding with the Kentucky Transportation Cabinet that applies many of the provisions of LMCO 131.02 to property owned, leased, or managed by that Cabinet; and

WHEREAS, Louisville Metro Council wishes to allow the expeditious clearing of homeless encampments that are adjacent to schools and childcare facilities.

NOW, THEREFORE, BE IT ORDAINED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT (“THE COUNCIL”) AS FOLLOWS:

SECTION I: The following definitions in LMCO § 131.01 are being added as follows:

CHILD CARE CENTER PROPERTY. Means all indoor or outdoor structures, facilities, and land, whether owned, rented, or leased by a “child care center” as defined in KRS 199.894.

SCHOOL PROPERTY. Means all indoor or outdoor school structures, facilities, and land, whether owned, rented, or leased by a preschool, elementary school, or secondary school.

SECTION II: LMCO § 131.02 is hereby amended as follows:

(A) No department or employee of Louisville Metro Government may displace a homeless person from a camp until Louisville Metro, through the Department of Public Works and Assets, has given at least a 21 day notice to the homeless persons living in the camp and to the Coalition for the Homeless or a like organization; provided, however, that if Louisville Metro, through the Department of Public Health and Wellness, makes a written determination that an emergency exists, it may give whatever notice is reasonable under the circumstances. The displacement must take place by Louisville Metro within 21 days from the date of the Notice expiring, otherwise a new 21-day Notice must be given for the displacement. Notice to the homeless persons shall consist of signs posted in a conspicuous place at the camp giving the earliest date on which personal property may be removed. The signage shall include a visual symbol or symbols as well as text. Notice to the Coalition for the Homeless or a like organization should be given through a phone call or email requesting verification that it has been received.

(B) Upon receiving the notice described in subsection (A), the Coalition for the Homeless or a like organization may notify participating service providers, faith-based organizations, street ministries and volunteers to offer the homeless persons to be displaced available assistance, including any available assistance with transitional or permanent housing, and other services. The Coalition for the Homeless or a like organization shall be provided at least three days' notice of the actual date and time when a homeless person is to be displaced so that participating service providers, faith-based

organizations, street ministries and volunteers are on site at the time of the displacement to offer assistance.

(C) (1) This section shall not apply to locations where permanent, conspicuous notices are posted that camps are not allowed, and that personal items are subject to be removed immediately and where removal of such items occurs on a regular basis.

(2) This section shall not apply to public property that is adjacent to school property or child care center property.

(D) Any Louisville Metro employee found to be in violation of this subsection may be disciplined, up to and including termination.
