SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

Our Mission:

The Association of Community Ministries (ACM) unites the Ministries of Louisville in order to enhance the effectiveness of their work and thereby improve the quality of life for people.

Our Values:

The ACM is united in serving the needs of the community in a caring fashion while preserving individual dignity. We offer our services and support without prejudice or discrimination. We believe it is our responsibility to work for justice, advocate for the poor, and elevate the self esteem of the people marginalized in our society by treating them fairly and with respect.

The Association of Community Ministries (ACM) is an umbrella organization bringing 13 Louisville-based Community Ministries together to serve families and individuals on a neighborhood level throughout the entirety of Metro Louisville. We have worked together for over 35 years connecting neighbors in need with resources during times of crisis.

Our success is built upon the strong relationships we have not just with those we serve but also - and very importantly - the relationships we have with our partners, supporters, advocates, and volunteers, as well as our Board members, member congregations and staff.

It is all of these people collaborating together that make the work possible, that brings emergency assistance, be it food, utilities, rent, or other services to our community members when they need it the most.

SECTION 5 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

This program will be on May 25th, 2022 at the Waterfront Botanical Gardens.

“Join us as we celebrate the many ways ACM has worked passionately throughout the Covid crisis - removing barriers and delivering assistance – as well as how we are moving toward our vision for the future. The Association of Community Ministries - Many Ministries. One Mission.”

Flier Attached

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

The Funding will be spent on the event itself. While working out a discount, we still had to pay for the space and other items needed to bring this event to life. We are also hoping to provide light refreshments for attendees. This event is about awareness and celebrating the partners whom help make our work possible. We are striving to get as much donated as possible but have allocated all financial breakdowns within the NDF.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

C: If this request is a fundraiser, please detail how the proceeds will be spent:

While this is not technically a fundraiser, it is a donor-raiser / thank you to our partners. If any funds are donated, they would go to help ACM continue to empower those in the community who need a hand up during their time of crisis.

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

- The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:

- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

This is a city wide association covering every zip code in Jefferson County with assistance. We measure the outcomes by the number of clients we are able to serve each year.

The Association of Community Ministries has also established a working client database that allows us to collect a plethora of data on the clients that we serve. Since this is an association wide database we are able to track the client as they move, and see what additional service they need along their journey. That information allows us to assess their situation and see where we might be able to make referrals for additional assistance.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

The Association of Community Ministries have individual ministry (formula / EAF) grants that help us serve the community. We also have partnerships with Louisville Gas and Electric as well as the Louisville Water Company. They provide us with special funding that we utilize to assist those in crisis with utility assistance.

Stopmyeviction.org was created from the Association of Community Ministries and has worked closely with the Office of Housing in order to make sure that thousands were not displaced in the middle of a pandemic. Many of us also serve as Dare to Care Distribution Sites.

Hello Appropriations Committee,

The Association Community Ministries (ACM) NDF was seen as an emergency since the original venue took over 6 weeks to reply with a quote of \$2,500 to utilize the space. ACM has not had an event in over a decade but still wished to be good stewards of funding so they sought out a different venue. In addition some of the items needed for the event would need to be purchased the day of the event. Thank you for your support of this NDF.

Association of Community Ministries

To Whom it May Concern,

The Association of Community Ministries had discussed submitting a Neighborhood Development fund months before our event. Due to the fact that our original venue took over 6 weeks to respond with a quote we were left looking for a venue and facing unknown expenses in the month leading up to our event. We would also like to mention that the original venue gave us no discounts for being a non-profit and the quote was deemed too high (\$2,500) for our budget and our request for these precious funds. When we booked with Waterfront Botanical Gardens it was appropriate to spend the funds to make sure we were being environmentally friendly. Once we were able to secure a location / date and estimated crowd we were able to order all of the other items that were needed to execute the event. Unfortunately, we could not get anyone to donate the main food for our event (donuts) and were forced after many requests to purchase the donuts the morning of the event.

We know reimbursements are not common, but hosting an event (our first one in over a decade) to showcase where we started, what we have accomplished and where we plan to go in the future was a vital piece in helping us get the attention of some large donors in the community. Large donors who we are hoping to get funds from since all LG&E assistance and most rental assistance is exhausted in the city.

Please also note that some of the expenses were supported by Community Ministries who are members of the Association of Community Ministries. The Association does not have a credit card and has historically never made purchases outside of supporting the efforts of our Mission. Every dollar that the NDF can provide will allow ACM to continue it's work and invest those unrestricted dollars into providing services for our neighbors throughout Jefferson County.

With Much Appreciation,

The Association of Community Ministries

Many Ministries. One Mission.

Association of Community Ministries

Dear Council Members,

The Association of Community Ministries (ACM) is an umbrella organization bringing 13 Louisville, Kentucky-based Community Ministries together to serve residents on a neighborhood level. We provide emergency assistance (rent, utilities, food, etc.) as well as a variety of other services to the entirety of Metro Louisville.

When Covid hit and our neighbors most needed us, the Association of Community Ministries adapted and delivered. When our partners at LG&E, the Louisville Water Company Foundation, Metro Louisville, etc. needed help getting emergency assistance into the hands of families in crisis, they turned to the Association of Community Ministries for help. During that first year, beyond all the meals and traditional assistance, in emergency aid, we delivered:

- \$2.7 million rental assistance dollars helping to protect 1500 families from eviction
- Over \$4.3 million in LG&E assistance dollars helping 7300 households to keep their power on
- Over \$1 million in Metro Covid and One Louisville Fund Emergency Assistance dollars to another 1,300 households in crisis

All of this despite the challenges and barriers of social distancing and despite a loss of volunteer hours. ACM came together and adapted creating the necessary tools and online portals to get our clients the assistance they so desperately needed.

On May 25th we are celebrating all the people that made this important work possible: the staff, volunteers, board members, resource partners, congregation partners, etc. that took on this deeply challenging task during the most challenging of times.

ACM is seeking funding to offset the minor expenses that were accumulated to make this event happen. As we serve the entire community, including each and every Metro Council District we are seeking that support from each council member.

We hope you will consider this request allowing us to dedicate the costs we would otherwise acquire to continuing our work in the community.

Sincerely,

On behalf of the ACM Board of Directors
