Matt, thank you!

Please use the below account numbers and the amounts in red font type that total \$19,531.75 to assist with funding the \$50,000.00 Young Ave from S 32nd St to Louis Coleman paving project. D1 will use \$30,468.25 D1 CIF funds to cover the remaining cost of the project. Also, please add this project and its corresponding information to the Monthly Paving Report. Again, thank you.

Sorry, going down the line and did not see this updated request. Paving Young Ave from S 32nd St to Louis Coleman will be \$55,000.00. So as long as D1 will fund the remaining, we will accept the funds.

Jeff or Matt, will Public Works accept D1's \$19,531.75 paving funds to assist with funding the Southern Ave between 32nd St - Louis Coleman Jr Dr street paving project?

If Public Works will accept D1's funds for this project, how much additional funds will be needed from D1's CIF account to assist with funding the project?

Thank you,

LaTonya
