Non-Competitive Contract Request Form

**CONTRACT SCOPE and PURPOSE** (Attach additional documentation if necessary)

**Amendments:** Describe the circumstances under which a time extension or scope change is needed.

**New:** Be specific about the work to be performed / product to be purchased including but not limited to: scope of work; description of service; work product created; why the service / product is necessary; and benefit to Louisville Metro Government.

Louisville Metro Department of Public Health and Wellness is operating COVID-19 vaccination operations. To meet demand and administer all vaccination doses allocated to our jurisdiction, LMPHW needs to bring on more clinic staff for vaccination operations. We'd like to partner with the Kentucky Nurses Association who will provide the following: recruitment and oversight of nursing teams, mileage, training, PPE, informatics, and data entry. KNA will collaborate with the University of Louisville Infectious Disease Lab to provide these services and personnel.

We need to increase the contract ceiling amount from \$230,000 to \$300,000 to pay for services already rendered.

**JUSTIFICATION FOR NON-COMPETITIVE GOOD/SERVICE** (Attach additional documentation if necessary)

Provide justification including but not limited to: a description of the unique features that prohibit competition; research conducted to verify the vendor as the only known source (sole source); why the service (PSC) is not feasible to be provided by LMG staff or expertise does not exist; known compatibility, proprietary and/or timing issues.

There is no capacity or expertise within LMPHW staff to take on this work. Since the need is urgent to effectively respond to the pandemic, there is no time to put these services out to bid. LMPHW has worked with the KNA in the past and trusts them to be able to provide these vaccination teams for operations.

**AUTHORIZATIONS:** Per KRS 45A.380, I have determined that competition is not feasible for the above described good / service and there is a single source within a reasonable geographical area of the good / service to be procured; or the resulting contract is for the services of a licensed professional, technician, artist, or other non-licensed professional service.

### WITNESSETH:

**WHEREAS**, the Metro Government desires professional services with respect to staffing assistance at its LouVax site; and

**WHEREAS**, the Metro Government has determined that Contractor was the requisite experience and expertise to provide these services; and

**WHEREAS**, pursuant to K.R.S. 45A.380, the Metro Government has determined that competition is not feasible and that this Agreement is for the services of a professional

**NOW, THEREFORE**, it is agreed by and between the parties hereto as follows:

**I. SCOPE OF PROFESSIONAL SERVICES**

**A.** Contractor shall, at the request of the Metro Government, provide services under the terms of this professional Agreement. The Contractor’s work product may be reviewed from time to time by the Metro Government for purposes of determining that the services provided are within the scope of this Agreement.

**B.** If from time to time Contractor needs to utilize the records or personnel of the Metro Government relative to performing the services required of this Agreement, then Contractor shall notify the proper agent of the Metro Government of this need and arrangements may be made for that contingency. However, at no time shall the Metro Government make available its resources without the full consent and understanding of both parties.

C. Contractor, while performing the services rendered pursuant to this Agreement, may incidental thereto utilize agents or employees of such Contractor. However, such use must be documented in the monthly invoice submitted for those services rendered.

D. The services of Contractor shall include but not be limited to the following:  
Those listed on Attachment A attached hereto and fully incorporated herein.

II. **FEES AND COMPENSATION**

A. The Metro Government shall pay Contractor for appropriately documented services as described in Attachment A.

The total compensation paid pursuant to this Agreement shall not exceed **TWO HUNDRED THIRTY THOUSAND DOLLARS (\$230,000.00)**.

B. Unless otherwise agreed to in writing by the Metro Government, services shall be rendered and payment therefore shall be made at monthly intervals throughout the duration of this Agreement. Payment shall only be made pursuant to a detailed invoice presented monthly, which invoice shall indicate a descriptive daily accounting of the hours expended in service under the contract, the particular nature of such service and out-of-pocket expenses. Copies of invoices or receipts for out-of-pocket expenses and other third party charges must be included with the Contractor's invoice when payment is requested. In the event payment is made in lump sum at the end of the service period, Contractor's final invoice shall indicate a descriptive daily accounting of hours expended as described heretofore.

C. Contractor shall only be reimbursed out-of-pocket expenses if they are reasonable in amount and necessary to accomplish the scope of services of this contract. The Metro Government will not reimburse first class air fare, personal phone

calls, short term parking expenses, or other premium type expenses. The Metro Government reserves the right to reduce or disallow expenses considered excessive or unnecessary under this contract.

**D.** Contractor, to the extent that it provides the same or related services to other parties agrees to pro-rate its billings and out-of-pocket expenses to the Metro Government which are of benefit to the other parties and to provide documentation to all parties to verify the pro-ration of such billings and expenses. In no event will the Metro Government pay bills or expenses which are considered to be double billing (i.e. billing two different parties for the same work or expense).

**E.** Contractor agrees that all outstanding invoices at the end of the fiscal year (June 30) must reach the Metro Government no later than July 15 of the following fiscal year. Contractor agrees that original invoices that are not in Metro Government possession by this time will not be paid and Contractor agrees to waive its right to compensation for services billed under such invoices.

### **III. DURATION**

**A.** This Agreement shall begin August 1, 2021 and shall continue through and including November 30, 2021.

**B.** This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of such intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform the duties required under this Agreement. A waiver by either party of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

C. In the event of termination, payment for services complete up to and including date of termination shall be based upon work completed at the rates identified in this Agreement. In the event that, during the term of this Agreement, the Metro Council fails to appropriate funds for the payment of the Metro Government's obligations under this Agreement, the Metro Government's rights and obligations herein shall terminate on the last day for which an appropriation has been made. The Metro Government shall deliver notice to Contractor of any such non-appropriation not later than 30 days after the Metro Government has knowledge that the appropriation has not been made.

**IV. EMPLOYER/EMPLOYEE RELATIONSHIP**

It is expressly understood that no employer/employee relationship is created by this Agreement nor does it cause Contractor to be an officer or official of the Metro Government. By executing this Agreement, the parties hereto certify that its performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

**V. RECORDS-AUDIT**

Contractor shall maintain during the course of the work, and retain not less than five years from the date of final payment on the contract, complete and accurate records of all of Contractor's costs which are chargeable to the Metro Government under this Agreement; and the Metro Government shall have the right, at any reasonable time, to inspect and audit those records by authorized representatives of its own or of any public accounting firm selected by it. The records to be thus maintained and retained by Contractor shall include (without limitation): (a) payroll records accounting for total time

distribution of Contractor's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as canceled payroll checks, or signed receipts for payroll payments in cash; (b) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Contractor's stores stock or capital items; and (c) paid invoices and canceled checks for materials purchased and for subcontractors' and any other third parties' charges.

**VI. HOLD HARMLESS AND INDEMNIFICATION CLAUSE AND INSURANCE REQUIREMENTS**

The Contractor shall indemnify, hold harmless, and defend the Louisville/Jefferson County Metro Government, its elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees, arising out of or resulting, directly or indirectly, from the Contractor's (or Contractor's Subcontractors, if any) performance or breach of the contract provided that such claim, damage, loss, or expense is: (1) attributable to personal injury, bodily injury, sickness, death, or to injury to or destruction of property, including the loss of use resulting therefrom, or breach of contract, and (2) not caused by the negligent act or omission or willful misconduct of the Louisville/Jefferson County Metro Government or its elected and appointed officials and employees acting within the scope of their employment. This Hold Harmless and Indemnification Clause shall in no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Contract. Contractor shall comply with the insurance requirements attached hereto and incorporated herein as Attachment B.

**VII. REPORTING OF INCOME**

All parties expressly consent to personal jurisdiction and venue in such Court for the limited and sole purpose of proceedings relating to this Agreement or any rights or obligations arising thereunder. Service of process may be accomplished by following the procedures prescribed by law.

### WITNESSETH:

**WHEREAS**, the Metro Government desires professional services with respect to staffing assistance at its LouVax site; and

**WHEREAS**, the Metro Government has determined that Contractor was the requisite experience and expertise to provide these services; and

**WHEREAS**, pursuant to K.R.S. 45A.380, the Metro Government has determined that competition is not feasible and that this Agreement is for the services of a professional

**NOW, THEREFORE**, it is agreed by and between the parties hereto as follows:

**I. SCOPE OF PROFESSIONAL SERVICES**

**A.** Contractor shall, at the request of the Metro Government, provide services under the terms of this professional Agreement. The Contractor’s work product may be reviewed from time to time by the Metro Government for purposes of determining that the services provided are within the scope of this Agreement.

**B.** If from time to time Contractor needs to utilize the records or personnel of the Metro Government relative to performing the services required of this Agreement, then Contractor shall notify the proper agent of the Metro Government of this need and arrangements may be made for that contingency. However, at no time shall the Metro Government make available its resources without the full consent and understanding of both parties.

C. Contractor, while performing the services rendered pursuant to this Agreement, may incidental thereto utilize agents or employees of such Contractor. However, such use must be documented in the monthly invoice submitted for those services rendered.

D. The services of Contractor shall include but not be limited to the following:  
Those listed on Attachment A attached hereto and fully incorporated herein.

II. **FEES AND COMPENSATION**

A. The Metro Government shall pay Contractor for appropriately documented services as described in Attachment A.

The total compensation paid pursuant to this Agreement shall not exceed **TWO HUNDRED THIRTY THOUSAND DOLLARS (\$230,000.00)**.

B. Unless otherwise agreed to in writing by the Metro Government, services shall be rendered and payment therefore shall be made at monthly intervals throughout the duration of this Agreement. Payment shall only be made pursuant to a detailed invoice presented monthly, which invoice shall indicate a descriptive daily accounting of the hours expended in service under the contract, the particular nature of such service and out-of-pocket expenses. Copies of invoices or receipts for out-of-pocket expenses and other third party charges must be included with the Contractor's invoice when payment is requested. In the event payment is made in lump sum at the end of the service period, Contractor's final invoice shall indicate a descriptive daily accounting of hours expended as described heretofore.

C. Contractor shall only be reimbursed out-of-pocket expenses if they are reasonable in amount and necessary to accomplish the scope of services of this contract. The Metro Government will not reimburse first class air fare, personal phone

**D.** Contractor, to the extent that it provides the same or related services to other parties agrees to pro-rate its billings and out-of-pocket expenses to the Metro Government which are of benefit to the other parties and to provide documentation to all parties to verify the pro-ration of such billings and expenses. In no event will the Metro Government pay bills or expenses which are considered to be double billing (i.e. billing two different parties for the same work or expense).

**E.** Contractor agrees that all outstanding invoices at the end of the fiscal year (June 30) must reach the Metro Government no later than July 15 of the following fiscal year. Contractor agrees that original invoices that are not in Metro Government possession by this time will not be paid and Contractor agrees to waive its right to compensation for services billed under such invoices.

### **III. DURATION**

**A.** This Agreement shall begin August 1, 2021 and shall continue through and including November 30, 2021.

**B.** This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of such intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform the duties required under this Agreement. A waiver by either party of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

C. In the event of termination, payment for services complete up to and including date of termination shall be based upon work completed at the rates identified in this Agreement. In the event that, during the term of this Agreement, the Metro Council fails to appropriate funds for the payment of the Metro Government's obligations under this Agreement, the Metro Government's rights and obligations herein shall terminate on the last day for which an appropriation has been made. The Metro Government shall deliver notice to Contractor of any such non-appropriation not later than 30 days after the Metro Government has knowledge that the appropriation has not been made.

By executing this Agreement, the parties hereto certify that its performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

This Hold Harmless and Indemnification Clause shall in no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Contract. Contractor shall comply with the insurance requirements attached hereto and incorporated herein as Attachment B.

All parties expressly consent to personal jurisdiction and venue in such Court for the limited and sole purpose of proceedings relating to this Agreement or any rights or obligations arising thereunder.
