RE: LOUISVILL METRO DISTRICT 6 METRO COUNCIL VACANCY

To Whom it May Concern,

I am interested in the appointment for Louisville Metro Council District 6 Vacancy. I am confident that I would be a tremendous asset and great fit for this position because of my diverse and extensive community/political background. I have served previously as a political liaison for city and state government and worked closely with several community organizations in the Louisville community. I currently serve on several community boards in Louisville Metro, such as the Kentucky Derby Festival Board, and have also worked alongside several elected officials, assisting in drafting, and implementing legislation. I currently work as a Family Resource Coordinator within Jefferson County Public School, where I remove barriers for Jefferson County families and connect them to community resources.

I would greatly appreciate the opportunity to interview and answer any questions that you may have. I have attached my resume and references for your review, and you may reach me at [REDACTED]
[REDACTED] Thank you for your consideration of my application.

Sincerely,

Phillip T. Baker
