# Zoning Matters: Conversation with a City Planner

**We Want to Hear from You!**

***These conversations are part of the ongoing Land Development Code (LDC) Reform.***

*The LDC Reform is an equity focused approach to revise the LDC consistently with Plan 2040 to allow for increased housing choices and opportunities in new and existing neighborhoods, to create procedures and regulations that are easier to use and increase the quality of life by reducing the concentration of environmental hazards near housing.*

City Planners from Louisville Metro's Office of Planning and Design Services will be available to answer questions about zoning (What is zoning? Why does it matter?) and discuss the ongoing LDC Reform project. We want to hear about your neighborhood and discuss what the reform means for you!
