Hi Steve,

Council Member Armstrong would like to proceed with an appropriation of \$3,000 for the renderings for the Grinstead Drive/Cherokee Park Shared Use Path. Will Public Works accept the funds?

Thanks,

Megan

CW Armstrong / Megan,

John Swintosky thinks it would be very beneficial to produce a graphic rendering of the prospective SUP layout to help solicitate private funding/donations for the improvement within a Historical Park. Our engineering consultant said they can produce a similar rendering to the one attached above for **\$3,000**. Please let us know if you agree with John's wild and crazy theory and wish to proceed.

Thanks,
