Maj. Rivera –

Thanks for the conversation today. In response to the recent events, and in coordination with you and your command staff, Councilman Ackerson is proposing to move \$10,000.00 from the 26th District Neighborhood Development Fund to LMPD's 6th Division. As with similar appropriations in the past, how the funds are applied is at the discretion of the 6th Division command leadership. If you could respond briefly with language as to potential personnel hours or activities on how this appropriation would best be used, that would be appreciated. Please feel free to call me with any other questions. Councilman Ackerson appreciates this opportunity to work with LMPD on constituent safety.

Thanks.
