The following was discussed:

- There was a discussion regarding staffing shortages and proposed solutions to ensure staff and inmate safety.
- There was a discussion regarding the current inmate population and how it impacts staffing shortages.
- There was a discussion regarding the fact that the facility currently has an inmate population of 300 individuals over bed capacity.
- There was a discussion regarding the impacts of COVID-19 that contributed to staffing shortages.
- There was a discussion regarding recruitment efforts and a new recruitment campaign focusing on "recruitment, retention, and referral" that includes incentives.
- There was a discussion regarding the time table from hire date to swearing in for new recruits.
- There were several questions regarding the proposed immediate fixes to address staffing shortages, management oversight on each level, recruitment efforts, and additional social media campaigns.
- There were several questions regarding whether Chief Clark came to work to assist officers over the weekend during extreme staffing shortages.
- There were several questions regarding whether Chief Clark was aware that over the weekend officers were not permitted to take breaks and/or lunch breaks.

- There were questions regarding the standard number of officers needed for an effective and safely run shift.
- There were several questions regarding how many officers were on shift over this past weekend and whether that was safe for inmates and staff.
- There was a discussion regarding management ensuring appropriate staff numbers with regard to shifting shortages.
- There was a request for the Committee Members to receive the shift reports for the past weekend.
- There was a discussion regarding the amount of overtime pay used for FY20, 21, and 22.
- There were several questions regarding when the inmate population began to increase and why this issue was not communicated with the Council.
- There were several questions regarding why leadership personnel did not attend the meeting in person.
- There were several questions regarding whether leadership personnel came into the facility over the weekend to aid officers during the staffing shortages.
- There were several questions regarding when Metro Corrections leadership was made aware of the staffing shortage.
- There were several questions regarding the steps that were taken to remedy the staffing shortage.
- There were several questions regarding the number of recruits in the graduating classes of 2018, 2019, 2020, and 2021.
- There were several questions regarding who the primary recruiter is for Metro Corrections.
- There were several questions regarding the recruiting budget for Metro Corrections.
- There was a question regarding how much was spent on recruiting in previous years.
- There were several questions regarding who is responsible for updating the Metro Corrections social media accounts.
- There was a discussion regarding the vacancies currently experienced throughout Louisville Metro Government.
- There was a discussion regarding the current Metro Corrections FOP contract.
- There was a discussion regarding recent State pension changes.
- There were several questions regarding the subsidiary correctional facility that the Metro Council had funded to reopen in October 2021.
- There were several questions regarding whether Metro Corrections is mandating COVID -19 vaccinations or weekly testing for staff.
- There were several questions regarding the last time Metro Corrections was fully staffed.
- There were several questions regarding the last time all sworn positions were fully staffed as budgeted.
- There were several questions regarding what steps Louisville Metro Government's Executive Branch has taken to address staffing shortages.
- There were several questions regarding whether Metro Corrections personnel will be monitoring staff levels going forward to ensure appropriate staffing.
- There were several questions regarding when Louisville Metro Government will implement the Center for Disease Controls recommendations for mandatory vaccinations or weekly testing from the Kentucky Department of Labor.
- There was a discussion regarding the percentage of Louisville Metro Government employees that have or have not been vaccinated to date.
- There were several questions regarding whether the Mayor's Office has

- created a plan to implement mandating vaccination guidelines.
- There was a request to receive an update from the Louisville Metro Human Resources Department regarding when mandating vaccination guidelines will be implemented.
- There was a discussion regarding concerns for the lack of leadership and the need for efforts to be taken to address staffing shortages.
- There were several questions regarding the duties and role of the Chief of Public Services.
- There was a discussion regarding the lack of leadership, concern, and support of the Metro Corrections leadership.
- There was a discussion and overview given regarding the daily duties, concerns, and challenges with health and safety that Metro Corrections officers currently experience.
- There was a discussion regarding wage disparities for Metro Corrections officers and Metro Corrections leadership.
- There were several questions regarding what it means to be the Director of Louisville Metro Corrections.
- There were several questions regarding whether it would have been good leadership to offer aid to officers that had not had breaks.
- There were several questions regarding whether the Mayor was made aware of the staffing shortages.
- There were several questions regarding whether Metro Corrections leadership had addressed concerns with the Mayor.
- There were several questions regarding the plan to update and repair faulty and/or broken equipment within the facility.
- There were several questions regarding an inmate that was recently transported to the hospital.
- There were several questions regarding specific promotions for two civilian executive staff members.
- There were several questions regarding what additional duties warranted promotions and salary adjustments for these two positions.
- There was a request for the job duties of the two civilians prior to and after promotion.
- There were several questions regarding when the FOP Union had notified Metro Corrections and the Louisville Metro Government leadership about staffing shortages.
- There were several questions regarding the lack of leadership shown concerning the seriousness of the staffing shortages.
- There were several questions regarding specific equipment issues such as the jail computer software, faulty cameras, and elevators in disrepair.
- There were several questions regarding management procedures to adjust for staffing shortages.
- There were several questions regarding the number of civilians that hold the title Executive Administrator.
- There were several questions regarding whether the Executive Administrators were on site to assist sworn staff during the staffing shortage.

Adjournment

Without objection, Chair Person Ackerson adjourned the meeting at 7:41 p.m.

***NOTE:** Items sent to the Consent Calendar or Old Business will be heard before the full Council at the Metro Council Meeting on September 23, 2021.
