

CIF120722MP21

Louisville Metro Council City Agency Request
Neighborhood Development Fund (NDF)
 ■ **Capital Infrastructure Fund (CIF)**
Municipal Aid Program (MAP)
Paving Fund (PAV)

Primary Sponsor: Councilwoman Nicole George

Amount: \$1,500 **Date:** 11/22/2022

Description of program/project including public purpose, additional funding sources, location of project/program and any external grantee(s):
 A new ¾ inch service spigot is to be installed near 323 W Woodlawn Ave in the landscapae bed on Southern Pkwy. This is a Parks maintained space with the help of neighborhood volunteers. New landscaping was recently added to the bed. The landscape bed includes the Beechmont Clock. The spigot will allow for frequent waterings to maintain the landscape bed.

City Agency: Metro Parks and Recreation
Contact Person: Jason Canuel
Agency Phone: 502-574-6086

I have reviewed this request for an expenditure of city tax dollars, and have determined the funds will be used for a public purpose and have the attached documentation from the receiving department concerning the project/expenditure.

The closest address is 323 W. Woodlawn. I've copied Chelsey Sparks on this email. Chelsey is the supervisor over Louisville Water's New Services.

Jason, Chelsea can assist you on the best way to apply for this new service.

Yes, you can send Parks the funding.

Vince will need to let me know if this is just a normal meter request situation or something different. What address does this location show up on LWC's maps?

We should be able to install a service for a flat rate. A ¾ inch service will be \$1,500 and a 1" is 2,050.

Good Afternoon Vince and Jason,

I wanted to check in. How is the new spigot paperwork/application coming along?

Is there anything you need from me?

Excellent! I am looping in Jason Canuel with Metro Parks.

District 21 agrees to pay for the tapping of a new meter. We can do a CIF appropriation directly to Metro Parks. We have spoken to Jason and he is agreeable to completing the application for service. We would need a 3-quarter inch residential meter for the landscape bed.

Vince – Can you remind us of the general cost we are looking at?

It looks like a water main is available. Depending on exact location may impact cost. Louisville Metro or Metro Parks will be responsible for the tapping fee. Will Metro Parks be taking the lead on requesting an application for service? BTW once the water service is installed it will be a free water account.

Thanks,

Vince Guenthner

Vince,

Beechmont Neighborhood Association volunteers to help maintain a Metro Park's Landscape Bed along the Olmsted Parkway of Southern Pkwy. The Metro Council Office has paid for the landscape bed to be cleaned up and re-planted in alignment with Olmsted's vision as a phase 1 project. Starting in the spring, volunteers will need to have access to water the plants. Right now, we don't have a solution for how they can regularly access water at the site.

Would it be possible for a new spigot to be added at the corner of Southern Pkwy and W Woodlawn Ave? I am attaching a map of the area.
