VOLUNTEER EXPERIENCE OR LEADERSHIP

I have always had a heart for giving and wanting to help others. I started to volunteer at the Southwest YMCA in the late 1990's coaching and fundraising. I have helped numerous friends and family members over the years when asked to donate money for charitable causes or where I saw a need I would give. I have also donated my time and cooking skills to The Lord's Kitchen on M Street. As far as leadership I have always been a take charge type of personality and a

problem solving is involved in my everyday working environment.

person who completes task and gets things done. In my field of work and being the Principal Broker and Co Owner of Genesis Realty, LLC I am responsible for my agents and guiding them along their careers and helping them to grow and better serve our community.
