Thanks,

Megan,

You probably remember this sidewalk on Talbott Ave. Please read Cheryl's recent correspondence below. Can you ask Councilwoman Armstrong if she is able to fund these repairs? The repair estimates below are still good.

Subject: Sidewalk Repair Estimate

Hi Megan,

Over the past nine months Public Works has received three different service requests for the same repair at 2221 and 2219 Talbott Ave. The family living at 2221 Talbott Ave includes a young man who is quadriplegic. The family has said he has to drive his wheel chair into the street because the sidewalk is impassable.

The sidewalks at both locations have a 5 rating. Just so you know, sidewalk repairs are rated on a 1 to 5 scale, 5 being the worst. Sidewalks rated a 4 or 5 are given priority and are repaired with the sidewalk repair budget or Council infrastructure discretionary funds. Since this sidewalk was first reported in June 2020 and we are currently working on 4's and 5's reported in 2018 it will be a long time before Public Works repairs this sidewalk with the sidewalk repair budget.

Below I included an estimate for repairing the sidewalk at these two addresses below for Councilwoman Armstrong to consider. I also included an estimate for the sidewalk repair at 2225 Talbott Ave since this sidewalk is just a few doors down and its also rated a 5. Please let me know if the Councilwoman is able to fund these repairs.
