Sonya , my apologies. I had contacted council women Purvis and failed to include you in the communication.

The Fathers Day / Juneteenth event this grant was slated for was a huge success. The other sponsors, after arrival and participation, opted to complete the deficit in funding for this event.

We thank you very much and would like to keep the considerations open for future opportunities. However, at this time the grant will not be required.

I would also like to take this time to share with you that I am no longer affiliated with the 3AGA in a leadership capacity.

Again, my apologies for my oversight in communicating this to you in a more timely manner.

Best Regards,

R. Shawn Summerville

Councilwoman Purvis,
Will anyone's admission be paid for through this expenditure? If so, please provide a list of names for those who had their admissions paid. If not, your response is all that is needed.

Thanks,
Sonya
