By submitting this form, I hereby certify that the above information is true and correct, and I meet all the statutory and constitutional qualifications for the vacant office for which I am applying.

Olivia Kelley 01/09/2023
(Applicant signature and date)

Dear Members of the District 6 Council Selection Committee,

I am writing to express my strong interest in the District 6 council spot in Jefferson County Kentucky. As a native Kentuckian and a doctor with nearly 10 years of experience in the medical field, I believe I have the qualifications and passion to effectively serve the residents of District 6.

As the medical director of a clinic in Bardstown Kentucky, I have had the opportunity to not only provide top-quality medical care to my patients, but also to manage a team of healthcare professionals and make important decisions that affect the day-to-day operations of the clinic. This experience has taught me the importance of effective communication, problem-solving, and decision-making skills - all of which I believe would serve me well as a member of the District 6 council.

In addition to my medical background, I am deeply rooted in the Kentucky community. I was born and raised in Bardstown, and have a deep appreciation for our rich history and culture. After spending time out of state for my medical training, I returned home with my family in 2020 and bought our first home in historic Old Louisville in 2021. I am committed to working towards the betterment of my community and believe that serving on the District 6 council would be an excellent opportunity to do so.

I am confident that my background and passion for public service make me an ideal candidate for the District 6 council spot. Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications with you.

Sincerely,

Olivia Kelley, MD
