Re: Aja Barber contract for FY22

Dear Councilwoman Dorsey,

Thank you for initiating conversations related to equity concerns of recent contracts seen before the Labor and Economic Development Committee. After our discussion, I was able to review Aja Barber's contract for FY22 and agree there are disparate levels of pay for comparable contracts. This memo serves as a request to Metro Council to adjust Aja's contract to a total of \$99,000 for FY22, and following this monthly pay schedule:
