## Research

---

Intern / Research Analyst

*Older Adults in Kentucky State Prisons (OAK) Study*; Dr Stephanie Prost 2018 - 2021

University of Louisville Raymond A. Kent School of Social Work

The OAK study is a two-phase, sequential mixed-method and longitudinal effort aimed at identifying and describing the 1) health, quality of life, and justice-related experiences of older adults and the 2) strengths and barriers of programming and services for older adults in Kentucky state prisons.

Research Assistant

*Social Determinants of Health Microbiome Metagenomics Study* 2018-2019

University of Louisville Raymond A. Kent School of Social Work
