#### **SECTION 3 – AGENCY DETAILS**

#### Describe Agency's Vision, Mission and Services:

The average person cannot afford to survive cancer. Our mission at Shirley's Way is to be an extension of the household income and help local families as they battle the financial side of cancer.

Through fundraising, donations, charitable gaming, and grants Shirley's Way assists cancer patients with everyday living needs. The assistance can be for medical, housing, transportation, food, utilities, and other daily living expenses. Since 2013, Shirley's Way has provided \$1,402,604.89 to the local community families that are battling cancer and other terminal illnesses. We service the Louisville area and surrounding counties.

Our organization works actively with the local cancer treatment center's social workers and patient advocates. This alliance ensures we are meeting the needs of the cancer patients. We partner with other charitable organizations and ministries to ensure we are able to support the family during their battle.

Our goal by 2025 is to have provided \$2 Million in assistance. With our strategic planning of fundraising, which includes increase individual donors, corporate donors, charitable gaming, grants and fundraising events. Through the strong support of our Board, volunteers, and grants we know the goal can be reached.

### SECTION 5 - PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

Shirley's Way would like to have two community events in September and October 2022 for the Valley Station / Pleasure Ridge Park area. This would also be a fundraising event to help raise money to support our cause of helping cancer patients with their financial needs while going through treatment.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

The funding will be spent to put on two community events with live bands. The bands cost \$4,500 per event. We will need a covered stage and they are at least \$1,000 to rent. The community events will have at least one and possibly two bands for each event. We will be putting on this community event in order to have a place for people of the Valley Station and Pleasure Ridge Park areas to strength community bonds.

NDF funds will be used to pay for the bands, sound, lights, and stage rental.

# C: If this request is a fundraiser, please detail how the proceeds will be spent:

This community event will be a fundraiser for Shirley's Way. The proceeds of this fundraiser will go to help cancer patients with their everyday living expenses such as rent/mortgage, utilities, transportation, and other necessary expenses.

Cancer patients normally can't work while going through treatment and their caregivers are also limited on working hours. This can put a real strain on the monthly budget. We help by providing a small relief in order for these patients to get the treatments they need without the worry of coming home without electric or the threat of losing their home.

**D:** For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

- The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:
  - If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):

- Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
- Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

Page 5 Effective May 2016

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

We received many referrals from the local hospital's social workers that work with cancer patients. As referrals come into Shirley's Way we pay the cancer's patient's utilities, rent/mortgage, and other necessary bills directly to the respective agency as funds are available. We track the patients and amount utilized each month

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

In the past Shirley's Way has worked with many other local organizations. Just to name a few we have worked with are Brown Cancer Center, Norton Children's Hospital Foundation, Lesley & Rhyan Foundation, and Southwest Community Ministries. We have brought in about 30 truck loads of food for the Southwest Community Ministries and also given over \$13,000 to local schools and little leagues. For several years we have partnered with the annual Cabo Wabo coat party to give coats to local charities and homeless people. Also we have ran split the pot raffles for many other local organizations.
