Kyle,

Here are two options for the curb cuts on Franck Ave. The first estimate is for the curb cut at the alley next to 116 Franck Ave. The second is for the two alleys and Payne St curb cuts on Franck Ave. Both estimates only cover the curb cuts on the west side of Franck, not the other side of the road.

Metro's ADA Plan, which has yet to be formally adopted, says that we will change the city's curb cuts into ramps as we pave the roads. The ADA Plan will potentially be formally adopted at the end of the year.

If you have any other questions please let me know

Hi Craig,

I'm just going through old emails. Did you send the cost estimate for Franck?

Thanks!
