Louisville KY 40202

JUN 14 2013

To Whom It May Concern,

This letter is concerning an individual named Connie Marshall. **Please forward this fax to the attorney prosecuting Connie Marshall's Case.** It is my understanding that Ms. Marshall is currently being prosecuted by the County's Attorney's Office regarding criminal activity against the Louisville Metro Police. I live on South 23<sup>rd</sup> Street, the same street Ms. Marshall currently lives.

Within the past several days, Ms. Marshall has been going up and down the street, spitting on people's cars and raving about the Louisville Metro Police Department. She has threatened violence against the police and made a variety of threatening remarks against the police department and other people on our street. Having talked with a few other neighbors further down the street about this matter, we are all now concerned for our safety and for the safety of the police department.

Ms. Marshall's threats have escalated, where she is now threatening to physically harm herself and others, and that she is "oppressed" by the police department. She has also started banging things to get people's attention to signs she has made and spitting on people's vehicles.

I ask the County Attorney to please do something about this woman! She swings from good days to bad days. When she is having a bad day, it is now to the point that people are afraid to let their children out around her and we are actually living in fear. We have filed complaints with the police, but usually by the time they are here, she has locked herself in her house and screams at them.

Thank you,  
Residents of S. 23<sup>rd</sup> Street,

PLAINTIFF'S MOTION IN RESPONSE  
TO JUDGE DAVID HALE'S ILLEGAL DISMISSAL

Comes the Plaintiff, Connie Marshall and files this Motion in Response to Judge David Hale's illegal dismissal of her cases. The evidence of the corruption in this case is so overwhelming that the only logical explanation for Judge Hale's dismissal of Plaintiff's case is that he has accepted bribes from Defendant(s) in this case. Therefore Plaintiff accuses Judge Hale of accepting illegal bribes from the Defendant(s). Due to the fact that Judge Hale is aiding and abetting the commission of crimes against Plaintiff, he must immediately recuse himself from the case and vacate all orders he has filed in this case. The Plaintiff also states that she will be filing charges and liens against Judge Hale for his crimes and also will be filing a lawsuit against him and all other parties involved in the outrageous corruption that has occurred against her. Judge Hale has no authority to dismiss Plaintiff's case. Ms. Marshall also states that Federal and State laws are being broken by Judge Hale as he is also electronically assaulting her and controlling her thoughts.

IN RE: 2015-SC-000488

I recently filed my "Motion to Reverse the Order of Incompetent to Competent Maliciously Filed by Judge Delahanty and Mary Wolford, Prosecutor, as Dr. Wagner, Psychologist Stated on Record And Filed in the Case That Ms. Connie Marshall Was Competent and U of L Hospital Stated that Connie Marshall Does Not Meet MIW Criteria."

I am requesting that the Court Clerk **withdraw** my Motion because I realized after filing it that it is factually inaccurate and I do not want to face potential Court sanctions for filing a perjurious / frivolous document. Ms. Marshall does state that I am being continuously attacked and my thoughts are being controlled – yet the Supreme Court refuses to assist me. Ms. Marshall states that I do believe that Supreme Court Justices are involved in this and have controlled my thoughts to make me file an untrue pleading in my cases.

Therefore, please mark the Motion as "Withdrawn" and discontinued.

APPELLANT'S MOTION FOR LEAVE  
TO FILE EVIDENCE OF ALIEN ABDUCTION AND  
CHIPS THAT HAVE BEEN IMPLANTED IN HER MIND  
WHICH PROVES THAT SHE IS NOT MENTALLY INCOMPETENT  
AND THAT THE INCOMPETENCY ORDER MUST BE REVERSED

Comes the Appellant, Connie Marshall and files this Motion to file evidence to prove that she is not incompetent. Ms. Marshall states that she has hundreds of pages of evidence which proves that she has been abducted by aliens in UFOs (and witnesses such as Daniel Cobble) and that the Louisville Metro Police have formed an alliance with these entities to torture black residents in Louisville and to sabotage her mayoral campaign. Further, Ms. Marshall states that her evidence proves that Judge Sean Delahanty who determined she was incompetent and delusional is actually a robotic borg and is working in conjunction with these entities to perform bizarre sexual experiments on Ms. Marshall. Ms. Marshall states that she has filed hundreds of pages of evidence which has been ignored illegally by the Court and thus Judge Delahanty must be removed from the bench and disassembled to discover the entities that are controlling him and requests the Court order ALL chips which have been implanted in Ms. Marshall to be removed.

MOTION TO MOTION

Comes the MOVANT, Connie Marshall, and files this, "Motion to Motion" and states that Ms. Marshall is a former Tina Turner impersonator having appeared on *30 Seconds to Fame* and who is currently trying to find dancers on Craigslist. Ms. Marshall requests that she be allowed to present oral arguments in this case in her Tina Turner getup to music while Ms. Marshall struts around the courtroom. Ms. Marshall knows that it is well established in this state that because she was adjudicated mentally incompetent in Jefferson District Court that she is forbidden from bringing a legal action in Kentucky without a guardian ad litem. See CR 17.03(1). Despite the fact that she is mentally incompetent, Ms. Marshall requests that she be allowed to present her oral arguments in melodramatic form and that the Court provide Ms. Marshall with music, makeup, 8 inch high-heels, and other necessities. Finally, Ms. Marshall states that Justice Minton should be recused from the case as Malone Staffing has photos of him giving cunnilingus to a 12 year old girl and that Justice Hughes should likewise be recused as she is a hardened lesbian whose infatuations with Ms. Marshall are well known.

**MOTION TO APPOINT GUARDIAN AD LITEM**

Comes the MOVANT, Connie Marshall, and files this, "Motion to Appoint Guardian Ad Litem" and states that Ms. Marshall notified this Court that Ms. Marshall was adjudicated mentally incompetent to stand trial for attempting to run over a police officer (which Ms. Marshall does admit she attempted to do because her thoughts were being controlled by alien entities from outer space) in Jefferson District Court by Judge Sean Delahanty in case number 12-F007230. Because Ms. Marshall is of unsound mind she is not allowed to bring an action in Kentucky without a guardian ad litem according to CR 17.03(1). Ms. Marshall does request that her daughter, Elizabeth Fields, be appointed Ms. Marshall's guardian ad litem in this case and Elizabeth has agreed to be Ms. Marshall's guardian in this case. Ms. Marshall therefore requests that this Court appoint Elizabeth Fields as Ms. Marshall's guardian ad litem and that all further communication regarding this case be sent to Elizabeth Fields at 1023 Windsong Way, Louisville, KY 40207-2285.

Ms. Marshall also requests that this Court still grant her "Motion to Motion" which Ms. Marshall filed on September 8, 2017 as Ms. Marshall is requesting that Justice Minton and Justice Hughes be recused from this case for their sexual obsessions with Ms. Marshall and would like to add that Justice Minton has recently been sending his filthy thoughts to Ms. Marshall and controlling Ms. Marshall's mind telepathically. Because of this Ms. Marshall requests that an

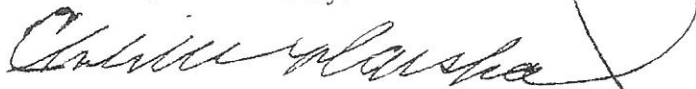

injunction be entered prohibiting Justice Minton from continuing to electronically intercept and control her thoughts.

**MOTION FOR LEAVE TO FILE STATEMENT FOR THE RECORD

Comes the MOVANT, Connie Marshall, and files this "Motion for Leave to File Statement for the Record Regarding Forgery in Ms. Marshall's Case" and requests that the Court consider this "Statement for the Record" regarding the forgery of documents in Ms. Marshall's case. Ms. Marshall states that Ms. Marshall *did* file the "Motion to Motion" and the "Motion to Appoint Guardian Ad Litem" and that Ms. Marshall's daughter Tracy admitted to her that she impersonated Ms. Marshall and told the Court that Connie Marshall didn't file the two aforementioned motions when in fact the real Connie Marshall had. Tracy admitted to Ms. Marshall that the reason she did this is that she was jealous that Ms. Marshall had chosen her successful daughter, Elizabeth Fields, as her guardian ad litem instead of Ms. Marshall's lazy ass failure coon daughter Tracy.

Message  
Hello,

This is from Elizabeth Fields, Connie Marshall's daughter. I had an electrician out today at my mother's house 1814 S. 23rd Street, who tested her outlets in her living room and bedroom and they are reading 140V. They are supposed to be reading only 120V. She has been blowing a lot of light bulbs lately and the electrician said it is because it seems that there is too much power coming in through the line and that I should have LG&E come out and fix it.

If you could create a trouble ticket and have someone sent out, I would appreciate it.

Thank you,

Mr. Melton,

This Email is to put you on notice that I am done playing your games. I do have a gun in my possession and as an American I have the right to defend myself against your attacks and those by the LMPD. I know "and have proof" that you are working with the LMPD to terrorize and attack me. You are "aiding and abetting" the police in targeting me.

This is a matter of life or death for me. I provided you evidence of me being electrocuted, being zapped as if I was in an ELECTRIC CHAIR in my own living room and being knocked out as electrical arcs fly around the room, snap, pop, and zap me as smoke fills the room as I spasm as if having a grand mal seizure due to the electrical attacks and assaults.

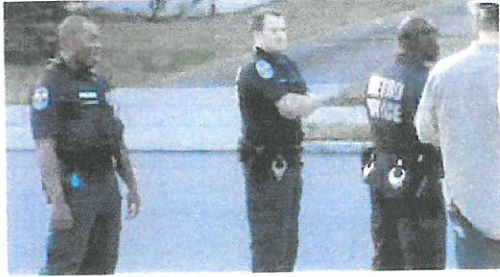

IF YOU DO NOT CEASE AND DESIST, I WILL KILL YOU AND ANYONE ELSE THAT IS ATTACKING ME / ASSAULTING ME. This is "self defense" and is not an act of aggression because of the indisputable proof I have of the attacks. I will find you and kill you and then we'll see whether these attacks continue against me. I AM COMPLETELY WITHIN MY RIGHTS TO DO THIS.

I am done being your "guinea pig." Let's see how you like being attacked when there's a bullet in your head.

THIS IS YOUR FINAL WARNING. GOVERN YOURSELF ACCORDINGLY.

May God Give you EXACTLY what you deserve.

Sincerely,  
  
Connie Marshall

**HARASSMENT**

Policeman L. Dison showed up at my home with two fire engines. I did not request the police or the Fire Dept. I called 911 to find out who was at my door and which fire dept. was at my door and they told me that I had to call Professional Standards. I called them and they stated that I would need to get back with them.

**October 5, 2007 - Harassment -** This Photo may be Major Yvette Gentry who refused to assist even when I showed her my birth certificate was intercepted in the mail and changed. Major Gentry stated to me that she was not going to assist me because I had complaints against her police officers. *(this was during the time that she was the Major at the Bohne Avenue location and I have proof that I went there to get assistance)*. **Note: They are in front of my door on my porch at my home, on my porch and in my yard.**

Terrence Keeling is in the car and it is parked on the corner. All morning I had problems with my telephone. John Terrence Keeling was driving Car #6175 - License #G3099. **Note: my home is where the telephone pole is on the left of this picture.**

**SATURDAY, JULY 28, 2012 @ 3:15 P.M.,**

Police Officer John Terrence Keeling (*who has stalked and harassed me to the point that several years ago, I had to go to Professional Standards and the Merit Board, but nothing was done to assist me.* As a matter of fact when I filed a complaint against him, he was allowed to be one of the people sitting on the Merit Board that made decisions in cases filed against Police Officers. This Louisville Metro Police Officer was again sitting on the corner of my street. It is my understanding that when Chief White was in Louisville as Police Chief, John Terrence Keeling was moved from my "Beat." I saw him at 3:15 p.m. as I was going to the Post Office, when I came back at 3:30 p.m. he was gone.

Me – Yes my name is Connie Marshall, I was watching Mr. O'Connell on TV the other day

Allison/Office: Yes uh huh

Me – and he was appalled at the fact that this Prospect Police Officer was making racial slurs and things of that nature

Allison/Office: Yes

Me – Ok, since he is so appalled at that I have thirty Sexual degradation /Hate/Death Threats from the Louisville Metro Police Department. I also have telephone calls from them. I also have telephone calls from them which I have recorded. I also have eight or more – actually it is more – Fabricated and Forged Court Documents and documents which the police have participated in and colluded in with Malone Staffing and LG&E, and it may sound bazaar but I actually have the actual document and recordings of all of these things. I have videos of the police at my home ready to drag me out of my house regarding these Fabricated/Forged documents they created.

Allison/Office: Right

Me: So I would like to make an appointment to meet with him and bring him a packet up there for him to review first if he likes.

Allison/Office: Sure, I know you have brought several up here over the years and I know you and I am sorry if you have been through anything. I'm going to give this to Susan Ealy, Susan is Mike's first Assistant. What's your number Ms. Marshall.

Me: My number is (502) 772-5245.

Allison/Office: Ok

Me: and right now I am working two jobs. I am getting ready to go to my second job.

Allison/Office: Well, Ok I will have Susan call you. It might be tomorrow, but she is familiar with some of the packets you dropped off here before and I will make sure to see if she needs duplicates or what she would like to do

Me: Well honey it is even more serious

Allison/Office: Ok well I will have Susan call you Ms. Marshall Ok.

Me: Well let me give you my cell number
