Starling Arched Gates

...atural interest and elegance to your property with OnGuard estate and arched gates. ... and double gate models are available in all standard sizes to match any OnGuard fence color. Our gates can also be custom-sized to suit your specific design needs.

...d gates feature heavy-duty rigid 2-inch square frames with welded construction to ensure reliable operation. Estate gates offer extraordinary strength with U-frame construction deformation and maintain proper alignment and smooth operation. All welds are polished under coating for a superior, clean, beautiful finish. The highest quality hardware comes with every OnGuard gate, while diagonal bracing is standard for adding strength.
