Subject: Request to address the committee

Althea –

At the next meeting, Brent would like you to answer for the committee the following questions:

- 1) Which boards and commissions have term limits prescribed by state statute, and if so, identify the board or commission and their respective term limit? **See attached spreadsheet**
- 2) Which boards and commissions to which we appoint members is there a stipend, payment, or any economic benefit given to that appointee? Identify the board or commission and any stipend, payment, or any economic benefit. **See attached spreadsheet**
- 3) When I asked you questions today, you had a comprehensive sheet from which to answer, including but not limited to salaries or other payments for each board or commission. Brent would like copies for each of the Government Oversight Committee members of those sheets for the boards and commissions to which we make appointments. **The document that I had are my notes which is a summary of the detail sheet found in Granicus. This detail sheet is included in what I submit every new business.**
- 4) We've made a number of reappointments. Where in the system, including but not limited to the Granicus system, can we determine the number of terms a person has served and the date of their original appointment? **Granicus and Council Clerk's office**
