Greetings, I just wanted to write to you as a neighbor of Diane Carmen-Young. I absolutely love their fence, and find nothing wrong or offensive in the least with it. I drive by it daily and am always tickled to see her kids playing safely with their dogs. How ugly would a 6 foot privacy fence be? And on that note, how ridiculous is the complaint about the height of the fence? Really? I fully support them with their tasteful solution to their need to contain their yard for the safety of their family.

Thank you,

Patrick Donley
