

ORDINANCE NO. 125, SERIES 2022

AN ORDINANCE AMENDING THE METRO LAND DEVELOPMENT CODE RELATING TO TRUCK PARKING REQUIREMENTS (CASE NO. 21-LDC-0010). *(AS AMENDED)*

SPONSORED BY: COUNCIL MEMBER MADONNA FLOOD

WHEREAS, the Legislative Council of the Louisville/Jefferson County Metro Government (the "Council") passed Resolution 64, Series 2020 directing the Louisville Metro Planning Commission (the "Planning Commission") to conduct a study to determine if amendments to the Land Development Code ("LDC") would be appropriate to address heavy truck parking, including the consideration of additional zoning districts in which such use may be permitted; and

WHEREAS, Planning and Design Services staff developed an amendment to LDC to use best practices in parking requirement provisions while reducing parking requirements for all uses with a special emphasis on areas within traditional form districts. In addition to these amendments, staff corrected longstanding issues with respect to the formatting of parking requirement tables; and

WHEREAS, the Planning Commission adopted a resolution directing Planning and Design Services staff to determine whether additional changes were needed to the parking requirements, based upon the identified issues and public comment, and to bring back a proposed amendment to the Planning Commission; and

WHEREAS, the proposed amendment was reviewed by the Planning Committee of the Planning Commission on August 3, 2021 and was forwarded by that Committee to the Planning Commission for its review; and

WHEREAS, the Planning Commission on September 16, 2021 recommended that

the Council adopt the proposed text amendments to the LDC as set forth in Planning Commission Resolution No. 20-LDC-0010; and

WHEREAS, Council approves and accepts the recommendation of the Planning Commission as set forth in Planning Commission Resolution No. 21-LDC-0011, with several additional amendments.

NOW THEREFORE BE IT ORDAINED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT AS FOLLOWS:

SECTION I: Chapter 1, Part 2 of the LDC, is amended as follows:

Chapter 1 Part 2 Definitions

...

1.2.2 Definitions

...

For the purposes of Chapters 1 through 11 the following terms, phrases, words, and their derivations shall have the meaning contained herein, except where the context clearly requires otherwise.

...

Loading Area/ Space (or Berth) - Designated areas where trucks may load and unload cargo. Said areas shall be at least 10 feet by 50 feet with a minimum height clearance of 14 feet and shall have appropriate means of access. Such spaces are considered "on-street" if they are located on a dedicated street right-of-way and are considered "off-street" if they are not.

...

Outdoor Storage – The keeping or stockpiling of any item(s) outside a building ~~in a non-residential zoning district~~ that is not directly accessible by the general public for more than twenty-four hours. The placement of moveable containers, including semi-trailers and containerized freight boxes, for the purpose of storage of inventory on a temporary basis (not to exceed two months in any calendar year) shall be considered outdoor storage.

...

Parking Area (or Lot) - An area of land reserved for the purpose of vehicular storage. Such areas shall include parking spaces and vehicular maneuvering area but shall not include outdoor display or sales areas or heavy truck storage areas.

...

Parking Space - An enclosed or unenclosed surfaced area permanently reserved for the temporary storage of one automobile/ motor vehicle and connected with a street or alley by a surfaced driveway which affords ingress and egress for automobiles/ motor vehicles. Such spaces are considered "on-street" if they are located on a dedicated street right-of-way and are considered "off-street" if they are not.

...

Truck - A motor vehicle which is designed primarily for the movement of property or special purpose equipment, or a motor vehicle that is designed to carry more than ten (10) persons. Truck includes vehicles commonly called trucks, pick-ups, delivery vans, buses, motor homes and other similar vehicles. Truck is intended to cover the vehicles defined as trucks and buses by the National Highway Traffic Safety Administration. Trucks are divided into three (3) categories as follows:

- (a) Light Truck. Light trucks are trucks and similar vehicles with single rear axles and single rear wheels.
- (b) Medium Truck. Medium trucks are trucks and similar vehicles, other than truck trailers, with single rear axles and dual rear wheels. Truck tractors are in the Heavy Truck category.
- (c) Heavy Truck. Heavy trucks are trucks, including truck tractors, and similar vehicles with two or more rear axles.

...

Utility Trailer – A vehicle designed to be pulled by a motor vehicle which is used to carry property, trash, or special equipment. Utility trailers less than or equal to sixteen (16) feet in length shall be regulated as medium trucks. Utility trailers in excess of 16 feet in length shall be considered industrial vehicles and are regulated as heavy trucks. Utility trailers shall be measured excluding the "tongue".

...

Vehicle – Vehicles that have their own motive power and that are used for the transportation of people or goods on streets. Motor vehicle includes motorcycles, passenger vehicles, trucks, and recreational vehicles with motive power.

Vehicle, Disabled or Inoperable – Any vehicle which is physically or mechanically incapable of being, or legally not permitted to be, operated on the public streets.

Vehicle, Passenger – A motor vehicle designed to carry ten (10) persons or less including the driver. Passenger vehicle also includes motor vehicles designed to carry ten (10) persons or less that are constructed either on a truck chassis or with special features for occasional off-road use. Passenger vehicle includes vehicles commonly called cars, minivans, passenger vans, sports utility vehicles (SUVs) and jeeps. Passenger vehicle is intended to cover the vehicles defined as passenger cars and multipurpose passenger vehicles by the National Highway Traffic Safety Administration.

Vehicle, Recreational – A vehicle with or without motive power, which is designed for sport or recreational use, or which is designed for human occupancy on an intermittent basis. Recreational vehicle is divided into two categories as follows:

- A. Motor Home - Motor home includes motorized vehicles designed for human occupancy on an intermittent basis. A camper is considered a motor home when it is on the back of a pick-up or other truck. Motor homes are regulated as trucks unless the regulations specifically indicate otherwise.
- B. Accessory Recreational Vehicle - Accessory recreational vehicle includes non-motorized vehicles designed for human occupancy on an intermittent basis such as vacation trailers and fifth wheel trailers. A camper is considered an accessory recreational vehicle when it is standing alone. ~~Accessory recreational vehicles also include vehicles designed for off-road use such as off-road vehicles, dune buggies, recreational boats, and trailers used to haul these vehicles.~~ Accessory recreational vehicles and the trailers used to haul them less than or equal to 25 feet in length shall be regulated as medium trucks. Accessory recreational vehicles and trailers used to haul them in excess of 25 feet in length shall be regulated as heavy trucks.

...

SECTION VI: Chapter 4, Part 4 of the LDC, is amended as follows:

...

4.4.8 Outdoor Sales, Displays, and Storage

The intent of this Section is to provide for the appropriate location and design of outdoor sales, display, and storage areas and to mitigate any adverse impacts that such uses may have on adjacent properties and rights-of-way. This section does not apply to outdoor storage that is more specifically regulated in other sections of this Land Development Code, including but not limited to parking areas and medium and heavy truck storage.

A. Definitions.

Outdoor Sales and Display and Outdoor Storage, Outdoor, Screened from View,

B. Outdoor sales, display and storage shall be permitted in the C-1, C-2, C- M, EZ-1, M-2, M-3, PD and PEC zoning districts only when the requirements of this Section are met.

C. Outdoor sales, display and storage shall be permitted in the C-1, C-2 and C-M zoning districts as well as commercial uses permitted within the PDD, M-2, M-3, EZ-1, and PEC zoning districts only when the following standards are met.

1. Outdoor Sales and Display Standards:

- a. Outdoor sales and display may be permitted within an area not greater than 800 square feet or 10% of the ground floor area of the building, whichever is greater, and shall be located at least 25 feet from any residentially used or zoned property.
- b. When outdoor sales and display occurs within 25 feet of a public right-of-way, item(s) shall not exceed 5 feet in height and shall be screened from view from the public right-of-way.
- c. Stacked items located less than 50 feet from a public right-of- way shall not exceed 5 feet in height. Any material within 3 feet of any building entry shall not exceed 3.5 feet in height. (see illustration, below)
- d. Vending and ice machines shall be permitted outside of the building when located against and parallel to the building facade. These items shall count towards the total outdoor sales and display area permitted by this Section. Vending machines shall include newspaper, beverage, food, or snack dispensers. Public telephones and mailboxes are excluded from this regulation.
- e. Outdoor sales and display of items shall be located on a "hard and durable" surface as defined by Metro Public Works Standards.

2. Outdoor Storage Standards:

- a. Outdoor storage may be permitted in areas that are designated for employees only and made inaccessible to the general public by means of a fence, wall or other permanent, secured enclosure or in areas that are set back a distance of not less than 50 feet from any public building entry, parking lot, pedestrian facility or similar publicly used area.
- b. Outdoor storage shall not occur within 25 feet of any public right-of-way.
- c. Outdoor storage shall be screened from view from any abutting property.
- d. Moveable storage containers including semi-trailers and containerized freight boxes, for the purpose of storage of inventory on a temporary basis, shall meet the following requirements in addition to the other provisions of this Section:
 - i. Containers shall be allowed on the site only in accordance with a permit issued by the building permit issuing authority. A copy of the permit shall be kept on the site and shall be available for inspection.
 - ii. The use of containers on the site shall be allowed for no more than two months in any 12- month period.
- e. Outdoor storage of new or used tires shall meet the following standards:
 - i. Tires shall be stored in compliance with applicable public health regulations.
 - ii. Outdoor tire storage shall not occupy an area greater than 300 square feet, unless a Conditional Use Permit (4.2.44) has been granted pursuant to Section 4.2.47 of this Land Development Code.
 - iii. Tires stored outside shall be neatly stacked; no stack shall be higher than 8 feet.
- f. All items stored outside shall be placed on a “hard and durable” surface as defined by Metro Public Works Standards.

D. The following uses are exempt from the requirements set forth in (C) of this Section as follows:

1. Areas designated for the outdoor sale, display or storage of plant material including live plants, fruits and vegetables and seasonal holiday related plant materials such as Christmas trees and pumpkins. This exemption does not include rock, mulch, pavers, landscape timbers and similar building materials.
2. Sale, display or storage areas for either automobile, boat and similar passenger or recreational vehicles or truck/trailer rentals which have met applicable vehicular use area screening and

buffering requirements as set forth in Chapter 10 of the Land Development Code.

3. Retail operations that occur under a permanent canopy structure.

E. The following standards shall apply to all outdoor sales, display and storage.

1. Any area proposed to be used for outdoor sales, display or storage in accordance with this Section shall be accurately delineated on the applicable development plan.

2. No outdoor sales, display or storage shall be allowed in areas set aside, required, or designated for driving aisles, driveways, maneuvering areas, emergency access ways or vehicular parking necessary to meet the minimum number of off-street parking spaces as specified in this section and in Chapter 9 of the Land Development Code.

3. Outdoor sales, display or storage items, including newspaper boxes, may be located on sidewalks in the public right-of-way only if permitted by the Director of Works. Such items shall be permitted on privately owned walks or other areas intended for pedestrian movement provided an unobstructed, continuous path with a four-foot minimum width is maintained. Materials located at the edge of a pedestrian way adjacent to a driving aisle shall not extend along that edge a distance for more than ten feet without providing a break of not less than three feet in width to allow for access on to the pedestrian way.

NOTE: The 4-foot unobstructed path complies with current ADA standards.

4. Items for outdoor sale, display or storage shall be screened from view from any abutting residentially zoned or used property. A property shall not be considered residentially used if the first floor is occupied by a nonresidential use or uses.

5. No outdoor sales, storage or display areas shall be located in the sight distance triangle as defined in Chapter 5 Part 1 of the Land Development Code or located in any manner that would restrict or limit adequate sight distances for interior vehicular traffic movement as determined by the Works Department.

6. One additional parking space shall be required for each 500 square feet of outdoor sales and display area unless more specific parking requirements are provided in Chapter 9 Part 1 of the Land Development Code.

7. Any product located outdoors in a manner constituting a sign as defined in Chapter 1 of the Land Development Code must conform to the requirements set forth in Chapter 8.

8. No outdoor sales, display or storage shall be allowed within 30 feet of the right-of-way of any designated Parkway, Olmsted Parkway or Scenic Corridor or within any required parkway or scenic corridor buffer area.

9. Uses conducting outdoor sales, display, or storage in a manner not permitted by this Section may be cited in accordance with Chapter 11 (Enforcement) of the Land Development Code. If a use is cited for non-compliance and said use desires to continue outdoor sales, display or storage activities in compliance with the requirements of this Section, then a site plan showing areas in which outdoor sales, display or storage will be conducted on the site in accordance with this Section shall be required. The site plan shall be drawn to scale and shall indicate portions of the lot beyond which outdoor sales, display and storage shall not be conducted, and shall indicate the locations of permanent structures and other features to allow ready determination of adherence to the site plan. After the plan has received approval by the Planning Commission staff, the site plan shall be maintained at the business location and shall be available for review at time of inspection.

10. When the requirements of this Section differ from other provisions of the Land Development Code, the more stringent standard(s) shall apply.

...

SECTION VII: Chapter 5, Part 5 of the LDC, is amended as follows:

...

5.5.4 Form District Specific Compatibility Standards

...

B. Suburban Workplace Form District Compatibility Standards

1. Industrial uses, including structures, loading and heavy truck parking areas, and outdoor storage located within 200 feet of and having a common lot line with residentially used or zoned parcels shall include a 50 foot landscape buffer area with a 6 foot screen (e.g. fence, hedge, berm, wall, etc.) and canopy trees as required by Chapter 10, Part 2.

...

SECTION VIII: Chapter 9, Part 1 of the LDC, is amended as follows:

Chapter 9 Part 1 Motor Vehicle Parking Standards

...
