**Subject:** RE: Neighborhood Cans in Shelby Park

Thank you for your interest in the decorative can found around Metro Louisville  
The decorative cans are \$598.00 each, installed by the contractor. Additional can liners are \$140 each  
They are collected on the normal recycling collection day of the week. We have found most materials discarded in them are recyclable.

NDF (funds) through your council district transferred to SWMS allows us to order them. Each can is hand made here in Louisville through a local contractor. Once funds have been transferred, the can is ordered. Installation is usually with 4 to 6 weeks. "SHELBY PARK" lettering can be placed on each decorative can at no additional cost.

**To:** Robinson, Christa  
**Cc:** Charles E Rogalinski  
**Subject:** Re: Neighborhood Cans in Shelby Park

Christa, please consider this my formal request to order seven decorative trash containers and seven liners for the Shelby Park neighborhood. I approve \$598 per decorative trash container and \$140 per liner. Funds should be transferred from District 4 CIF to SWMS.

Each decorative container should bear the name Shelby Park Neighborhood. If there is not enough space to do this, the second option is to use Shelby Park.

These containers are requested to be placed at the locations provided by Chip Rogalinski, president, Shelby Park Neighborhood Association.

Barbara Sexton Smith

The trash cans should be placed...

South Preston and Kentucky on southwest corner South Preston and Ormsby/ on southwest corner East Oak and Logan near bus stop Camp and Hancock at south entrance to Shelby Park South Shelby and East Kentucky southwest or east corner South Shelby and Ormsby East St. Catherine and South Jackson South Preston and East St. Catherine
