Hi, Jay -

I just wanted to advise you that Christian Academy of Louisville agrees with the proposed amendment as written and finds it consistent with the discussions we have had with Elite Homes.

Thank you very much for the details you provided last Friday.

If you still feel it is in everyone's best interest for one of us to attend the meeting, we will comply.

See the attached exhibit. Page 7 of my staff report includes the proposed change to BE number 16.

Let me know if you have further questions or comments.

Thank you very much for your quick response.

I would like to see what the proposal is relating to the binding elements. We have been working with Elite Homes on this for quite a while. I am sure what they are proposing is what we have verbally agreed to, but just want to confirm.

Have a great weekend.

Steve,

I will accept comments beyond the date stated. That date is the latest I can guarantee they get published for the commissioners ahead of time, but I will still get them into the record up to the day of the hearing. I am sure the commission would like to hear from Christian Academy, as the issue essentially only affects that property.

Hi, Jay -

Hope this finds you safe and healthy.

I just received the notice regarding the case mentioned above. I will not be able to review and comment prior to the 5pm deadline. Is there any chance I can provide any comments,

(if necessary), on Monday?

Thanks very much for your consideration.

Steve
