NOTE: Inspector to verify in field inspection. Remodel and Replace roof trusses (has truss detail). Shall comply with KBC 2013. No commercial use allowed. Shall not change the footprint of house. Separate permit required with any additional work. Janice M Johnston REVISED 11/23/16. This permit is for changing the flat roof to a gable roof on a existing grocery store (MOE). The rear door leading from the grocery to a residential unit must be a one hour rated door or infill with studs and 5/8 type x drywall on both sides of studs. NOTE; Inspector to make sure roof trusses are properly installed, anchored and braced. A separate permit will be required for the residential portion in the rear. This was an existing liquor store changed to a grocery store. No change of use required. Going from a M use group to a M use group.
