However, at no time shall the Metro Government make available its resources without the full consent and understandings of both parties.

Workers' Compensation written through qualified group self-insurance programs in accordance with Kentucky Revised Statutes (KRS 342.350) will also be acceptable. The Contractor shall not commence work under this Contract until all insurance required under the Contract Document has been obtained and until copies of policies or certificates thereof are submitted to Metro Government and approved by the Metro Government's Risk Management Division. The Contractor shall not allow any subcontractor to commence work until the insurance required of such subcontractor has been obtained and copies of Certificates of Insurance retained by Contractor evidencing proof of coverages.

Without limiting Contractor's indemnification requirements, it is agreed that Contractor shall maintain in force at all times during the performance of this agreement the following policy or policies of insurance covering its operations, and require subcontractors, if subcontracting is authorized, to procure and maintain these same policies until final acceptance of the work by the Metro Government. Metro Government may require Contractor to supply proof of subcontractor's insurance via Certificates of Insurance, or at Metro Government's option, actual copies of policies.

B. The following clause shall be added to the Contractor's (and approved subcontractors) Commercial General Liability Policies:

1. "The Louisville/Jefferson County Metro Government, its elected and appointed officials, employees, agents and successors are added as an "Additional Insured" as respects operations of the Named Insured performed relative to the contract."

C. The insurance to be procured and maintained and minimum Limits of Liability shall be as follows, unless different limits are specified by addendum to the contract (and such minimum limits shall not limit access to the full amount of insurance available (whether through primary, excess or umbrella policies) on the contractors or subcontractors policy(ies), if that/those policy(ies) provide for Limits above the minimum):

1. COMMERCIAL GENERAL LIABILITY: via the Occurrence Form, primary and non-contributory, with a \$1,000,000 Combined Single Limit for any one Occurrence and \$2,000,000 aggregate for Bodily Injury, Personal Injury and Property Damage and Products/Completed Operations, including:
 - a. Premises - Operations Coverage
 - b. Products and Completed Operations
 - c. Contractual Liability
 - d. Broad Form Property Damage
 - e. Independent Contractors Protective Liability
 - f. Personal Injury

2. PROFESSIONAL LIABILITY (Errors and Omissions Liability): insurance policy, which includes a minimum limit of liability of \$1,000,000 for each Wrongful Act, and \$2,000,000 aggregate limit. In the event that the Consultant's policy is written on a "Claims Made" Form, the Consultant shall, after work has been completed, furnish evidence that the liability coverage has been maintained for at least one year after completion of work, either by submitting renewal policies with a Retroactive Date of not later than the date work commenced under this contract, or by evidence that the Consultant has purchased an Extended Reporting Period Endorsement that will apply to any and all claims arising from work performed under this contract.

D. ACCEPTABILITY OF INSURERS

E. MISCELLANEOUS

1. The Contractor shall procure and maintain insurance policies and shall furnish Certificates of Insurance upon the execution of the Contract. The Certificates shall include the name and address of the person executing the Certificate of Insurance as well as the person's signature. If policies expire before the completion of the Contract, renewal Certificates of Insurance shall be furnished to Metro Government at least fifteen (15) days prior to the expiration of any policy(s).
2. Upon execution of the contract, Certificates of Insurance as required above shall be furnished to:

4. CANCELLATION OR MATERIAL CHANGE OF COVERAGE: Contractor shall notify Metro Government's Risk Management Division of any policy cancellation within two business days of its receipt of same. Upon any material change (changes that reduce/restrict limit or terms and conditions to your insurance coverage) in coverage as required above, Contractor shall notify Metro Government's Risk Management Division within two business days. If Contractor fails to notify Metro

Government as required by this Agreement, Contractor agrees that such failure shall be a breach of this Agreement. Metro Government reserves the right to require the insurance policy(s) required above to be specifically endorsed to provide notice of cancellation and/or material change of coverage in accordance with policy provisions. When requested by the Metro Government, a copy of the policy endorsement shall be provided to Metro Government's Risk Management Division.

5. Approval of the insurance by Metro Government shall not in any way relieve or decrease the liability of the Contractor hereunder. It is expressly understood that Metro Government does not in any way represent that the specified Limits of Liability or coverage or policy forms are sufficient or adequate to protect the interest or liabilities of the Contractor.
