Subject: Curb estimate at Woodlawn & Southern Pkwy

Councilman Johnson / Bryan

Here is the estimate for the curb repair at the NW corner of Woodlawn & Southern Pkwy. The curb repair is pretty simple but I would suggest installing an apron, behind the curb, approximately 3x30 to help alleviate the problem of tearing up the curb and creating the rutting behind it. I also included an arrow board in the estimate since this is a high traffic area and this type of traffic control device is not normally needed or included with our normal sidewalk / curb repairs. If you have any questions about the estimate please feel free to contact me. If you would like to proceed with repairs please contact Craig Allen, he will be your project manager.
