

Louisville Metro Council City Agency Request

- **Neighborhood Development Fund (NDF)**
- Capital Infrastructure Fund (CIF)**
- Municipal Aid Program (MAP)**
- Paving Fund (PAV)**

Primary Sponsor: Councilwoman Nicole George

Amount: \$2,500 **Date:** 8/6/2021

Description of program/project including public purpose, additional funding sources, location of project/program and any external grantee(s):

Planning and Design was awarded \$10,000 from the AARP Community Challenge Grant in 2021 for the city's awareness project focused around accessory dwelling units (ADUs). Outlined in that grant request, Metro Council District 21 committed to supporting the project in the amount of \$2,500.

City Agency: Planning and Design Services
Contact Person: Director Emily Liu
Agency Phone: (502) 574-6678

I have reviewed this request for an expenditure of city tax dollars, and have determined the funds will be used for a public purpose and have the attached documentation from the receiving department concerning the project/expenditure.

Subject: RE: AARP Matching Funds - \$2,500 from Louisville Metro Council District 21

That sounds good to me. I will file the transfer of funds with the Metro Council Clerk's office by August 9th so that it can be heard/passed in the appropriations committee on August 18th. I imagine it would take about 4 weeks from that date.

Subject: RE: AARP Matching Funds - \$2,500 from Louisville Metro Council District 21

Rachel, I have some instruction from Justin at Develop Louisville (copied here). He said you can transfer the funds per OMB policy and procedures. Once OMB has received the transfer, Theresa Lewis at OMB will work with Justin to make sure the funds go through. It usually takes about 4 weeks or so for the funds to go through all of the approvals needed and get transferred to OMB.

During the same time, our office can work with you on the selection of a contractor.

Thanks
Emily

Rachel Roarx, District 21 Legislative Aide, 574-1121

Louisville Metro Government awarded \$10,000 AARP Community Challenge Grant

Grant will fund education around benefits of ADUs and regulations

LOUISVILLE, KY (July 28, 2021) – Louisville Metro Government will receive a \$10,000 grant from AARP to educate the community on the benefits of accessory dwelling units for residents of all ages and to create greater awareness of new and existing requirements associated with them. District 21 Councilwoman Nicole George applied for the AARP Community Challenge Grant on behalf of the city.

An accessory dwelling unit, or ADU, is a smaller, secondary dwelling located on the same property as a main home. In June, as part of the ongoing equity review of the Land Development Code (LDC), Metro Council approved a regulation change that will open the door for more property owners to build ADUs on their land for family to use or to rent out, creating greater housing diversity in Louisville.

Fewer than 4 ADUs applications have been submitted Metro-wide each year for the last 10 years. Meanwhile, research shows that ADUs are an affordable housing option for renters, generate rental income for homeowners, allow seniors to remain in their homes and age in place, can house people at all stages of their life, use less energy, and require fewer resources to build and maintain than full-sized homes.

“Thank you to Councilwoman Nicole George and her staff for taking the initiative to apply for this grant on behalf of Louisville Metro Government and to AARP for funding it,” said Mayor Greg Fischer. “As we move forward with additional reforms to the Land Development Code aimed at rectifying the historical inequities built into cities’ land use policies, it is important that we hear from residents every step of the way.”

The LDC is a set of rules that regulates development and what can be done with private property. Many elements within the LDC have not been revised since the early 1960s and continue to incorporate discriminatory policies first introduced in 1931.

BASIC INFORMATION

1. Name of Applicant Organization:*

NAME OF APPLICANT ORGANIZATION:

Louisville Metro Planning and Design Services (PDS)

2. Amount of this grant request:*

\$10,000

NOTE: AARP reserves the right to award less funds than requested, so applicants should be prepared to discuss how they would scale down their proposals if asked.

3. Organization Profile.

How has this organization been involved in work to make this community more livable? Please briefly describe in 1,500 characters or less (including spaces) and include the issues that the organization has worked on.*

Louisville Metro Planning and Design Services (PDS) has been involved in work to make this community more livable through planning efforts to support expanded housing types including the Comprehensive Plan 2040 (January 2019), the Housing Need Assessment (February 2019), the Advancing Equity report (April 2019), the Land Development Code Diagnosis (Opticos' Repo July 2020), an Equity Review of the Land Development Code (Resolution passed August 2020), and the Land Development Code Reform Initiative which included virtual listening (October 2020) and workshop sessions (December 2020). Planning & Design Services staff introduced its initial recommended changes to the Land Development Code to the Planning Commission on Feb. 4, 2021, the next step in a multi-year process to identify and correct inequitable land use regulations and policies within the code.

These documents and planning efforts reflect that the City of Louisville is on a clear path towards potential expansion of Accessory Dwelling Units (ADUs).

4. Organization Address:

ADDRESS:

444 S 5th St.

CITY:

Louisville

STATE: *

Kentucky

ZIP:

40202

5. Organization tax status.

Please check the one that best applies:*

a municipality

6. Organization Website:

(IF NONE, ENTER N/A)

<https://louisvilleky.gov/government/planning-design>

7. Organization Twitter Handle:

PROJECT DESCRIPTION

16. Project Description.

Please provide a description of your project in 2,000 characters or less (including spaces).*

Louisville Metro Planning and Design Services (PDS) has been conducting the Land Development Code Reform (LDC) Initiative which included three virtual community listening sessions (October 24, 26, and 27, 2020), and four community workshops focused on housing, environmental justice, and processes and education following feedback from the October listening session (December 5, 8, 12, and 15, 2020).

The 2018 AARP Home and Community Preferences Survey defined an Accessory Dwelling Unit (ADU) as a residential unit built on the same lot as an existing single-family home and may be attached or detached to the home. ADUs expand affordable housing, increase diversity of housing types, provide additional income, and allows for older adults to age in place. ADUs are currently underutilized in Louisville Metro. Fewer than 20 ADUs have been applied for in the last 10 years Metro-wide. The LDC Diagnosis (Opticos' Report July 2020) recommended that the City allow ADUs in all residential zones and implement form-based standards that allow ADUs by-right. The 2018 AARP Research from the Home and Community Preferences Survey showed that only 7% of adults 18 and older in the U.S. had an ADU but 1 in 3 would consider building an ADU on their property. One of PDS' initial recommendations is allowing applications to build ADUs, including an accessory apartment, to be reviewed by PDS staff rather than requiring them to go through the lengthier conditional use permit process.

The Community Challenge grant would provide funding for PDS to contract with a group to 1) Develop a marketing strategy plan, 2) Create educational content including the collection of community member experience stories related to ADUs, and 3) Provide digital outreach on social media. The goal would be to educate the community about the benefits of ADUs, normalize use of an ADUs across age ranges, and create greater awareness of the rules and requirements associated with ADUs. See Q for alignment with City efforts.

NOTE: This grant may NOT be used for the following activities:

- Partisan, political or election-related activities
- Planning activities and assessments and surveys of communities without tangible engagement
- Studies with no follow-up action
- Publication of books or reports
- The acquisition of land and/or buildings or a vehicle purchase
- Solely to sponsor other organizations' events or activities
- Research and development for a nonprofit endeavor
- Research and development for a for-profit endeavor
- The promotion of a for-profit entity and/or its products and services

17. Project Short Summary.

In under 250 characters (including spaces), please describe your project and the impact it will have on the community. Think of as a one or two sentence summary you would include in a press release.*

For example: *This project will turn overgrown vacant lots into community gardens, and install artistic benches and murals at a park frequented by older adults and children.*

This project will create community awareness of Louisville's goals outlined within Comprehensive Plan 2040 by addressing equity issues related to affordable housing through Accessory Dwelling Units, supporting older adults and minority communities

OPTIONAL: UPLOAD ONE ATTACHMENT IF NEEDED. (THIS IS NOT NECESSARY, BUT YOU MAY SHARE ONE DOCUMENT, I.E., DESIGNS, MAP, PHOTO, SUPPORTING MATERIALS. COMBINE MULTIPLE ITEMS INTO ONE DOC.)

18. Social Impact Goal.

Which of the following social impact goals **BEST** describes your project?*

NOTE: Even if several apply, please select only the one that BEST describes your project.

creating a range of housing options for people to safely live

19. Project Category.

Please select the category below that best describes your project, along with the primary corresponding sub-category.*

NOTE: We understand there is some crossover between categories and that several might apply to your project. Please select the main category that closest aligns with your initial goal.

Housing

Please select a Housing Sub-Category*

A.

20. Project Deliverables.

Please specify the individual deliverables of your project. Quantify and provide as much detail as you can about any physical structures (such as benches, lighting, signage, etc.), events, dates, addresses, communications, people reached, volunteers involved, etc. *within 300 characters (including spaces) for each deliverable.*

For example:

- I. The Organization will purchase and install structures with LED lighting with custom side panels at (ADDRESS)
 - Quantity: 3
- II. The Organization will purchase and install ADA compliant benches at (ADDRESS)
 - Quantity: 7
- III. The Organization will purchase and install AARP branded signage at (ADDRESS)
 - Quantity: 15
- IV. The Organization will purchase and install raised garden beds
 - Quantity: 10
- V. The Organization will hold event on (DATE) (event examples: workshops, hackathon, trainings)
 - Quantity: 1
- VI. The Organization will train community members at workshops
 - Quantity: 250 goal
- VII. The Organization will hold a (kick-off, ribbon cutting, etc.) event on November 1, 2021
 - Quantity: 1
- VIII. The Organization has a goal of attendees at event
 - Quantity: 400
- IX. The Organization will engage volunteers over the course of the project – including painting benches, installation, and the kick-off event

- *Quantity: goal of 70*

DELIVERABLE 1: (UNDER 300 CHARACTERS (INCLUDING SPACES))

Planning and Design Services will hire a contractor to scale up community education, marketing, and social media presence

QUANTITY:

1

DELIVERABLE 2: (UNDER 300 CHARACTERS (INCLUDING SPACES))

Planning and Design Services will work with the contractor to produce a marketing strategy plan for spreading community awareness of current ADU policies and reform efforts

QUANTITY:

1

DELIVERABLE 3: (UNDER 300 CHARACTERS (INCLUDING SPACES))

Planning and Design Services will work with the contractor to collect community member experiences related to ADUs from individuals who volunteer to share their stories

QUANTITY:

10

DELIVERABLE 4: (UNDER 300 CHARACTERS (INCLUDING SPACES))

Planning and Design Services will advise the contractor to conduct digital outreach on social media through paid ads and engagements

QUANTITY:

5

DELIVERABLE 5: (UNDER 300 CHARACTERS (INCLUDING SPACES))

Planning and Design Services will have the contractor conduct a baseline survey regarding attitudes about ADUs before community education is done

QUANTITY:

1

How many more deliverables would you like to add?

1

DELIVERABLE 6: (UNDER 300 CHARACTERS (INCLUDING SPACES))

Planning and Design Services will use the feedback from this process to develop a model for community education as the City moves forward with reform efforts

QUANTITY:

1

21. Project Type*

NOTE: Proposals for the project types described below will be prioritized over those that support ongoing programming or events.

New, innovative programming or services

If the application does not advance when you click next, you likely did not complete all required questions or went over a text limit. Scroll to the top of the page to see if there is an error message.

PROJECT NARRATIVE AND BUDGET

22. Livable Communities Activities.

Please provide a brief summary of the ongoing efforts to make this community more livable for all ages and share how the Community Challenge project will support that effort and have a lasting impact.*

Please complete section with 2,000 characters or fewer (including spaces).

Louisville Metro Planning and Design Services' ongoing efforts to make this community more livable for all ages include planning efforts to support expanded housing types such as the Comprehensive Plan 2040 (January 2019), the Housing Needs Assessment (February 2019), the Advancing Equity report (April 2019), the Land Development Code Diagnosis (Opticos' Repo July 2020), an Equity Review of the Land Development Code (Resolution passed August 2020), and the Land Development Code Reform Initiative which included virtual listening (October 2020) and workshop sessions (December 2020).

Planning and Design Services' staff introduced its initial recommended changes to the Land Development Code to the Planning Commission on Feb. 4, 2021, the next step in a multi-year process to identify and correct inequitable land use regulations and policies within the code. One of Planning and Design Services initial recommendations is allowing applications to build accessory dwelling units, including an accessory apartment, to be reviewed by Planning and Design Services staff rather than requiring them to go through the lengthier conditional use permit process. Metro Council's approval is required before any of the reforms can be implemented.

The Community Challenge project will support those efforts and have a lasting impact by educating the community about the benefits of ADUs, normalizing use of an ADUs across age ranges, and creating greater awareness of the rules and requirements associated with ADUs. After the project is complete Planning and Design Services will have model for how to engage the community for current processes and for other Land Development Code reform efforts. With greater awareness of the ADU process, the City will likely see more interested folks applying for ADUs.

Multiple community partner organizations support expanding ADUs in Louisville. Organizations include Thrive Center, Metropolitan Housing Coalition, AARP, and Office of Housing & Community Development just to name a few.

23. Community engagement.

Please describe how residents and local organizations have been engaged in the area's livable communities' activities to date. How will you engage the community and involve older adults as you execute this grant?*

Please complete section with 2,000 characters or fewer (including spaces).

Residents and local organizations have been engaged in the area's livable communities' activities to date through a series of listening sessions and workshops conducted by Louisville Metro Planning and Design Services pertaining to the Land Development Code Reform Initiative. The three virtual community listening sessions were conducted on October 24, 26, and 27 of 2020. Four community workshops were held. The two that were focused on housing were held on December 5 and 8 of 2020. The environmental justice workshop was held on December 12, 2020. The processes and education workshop that followed from feedback of the October listening sessions was held on December 15, 2020. All of these public meetings were recorded and can be viewed on the Develop Louisville Facebook page and are accessible via the Planning and Design Services website

Planning and Design Services will engage the community and involve older adults as they execute this grant by considering which marketing tools are best suited for various age groups and demographics and develop a strategy for digital targeting while creating ads. Volunteers will be requested and engaged through the sharing of experiences/stories relating to ADUs. These can be conducted over the phone or through other methods if social distancing can be maintained. A community-wide survey will be promoted to establish baseline data for attitudes about ADU usage before community education is shared into the community. Each step in the process, Planning and Design Services will be working with partner agencies to spread the information including healthcare providers, faith community leaders, immigrant community leaders, and community centers.

24. Role of volunteers.

Will volunteers play a role in the implementation of the Community Challenge project?*

Yes

Do you anticipate volunteers age 50 and older playing a role in the implementation of the Community Challenge project?*

Yes

Please describe the role that volunteers (particularly those 50+) will play in implementing the Community Challenge project.*

Please complete section with 2,000 characters or fewer (including spaces).

The role that volunteers (particularly those 50+) will play in implementing the Community Challenge project is taking the community survey about current attitudes, sharing their stories to be promoted on social media and other marketing materials, and spreading awareness to neighbors and family.

25. Diversity and Inclusion.

Regardless of your project category, will your project focus on, impact or benefit a specific multicultural population in the community?*

Yes

If so, please select the one or two who will be primarily impacted below.*

African American/BlackLGBTQ+Other

PLEASE SPECIFY OTHER:

Immigrants

Please describe how the effort focuses on or impacts this multicultural or diverse population(s).*

Please complete section with 2,000 characters or fewer (including spaces).

The effort impacts these multicultural and diverse populations because of the equity issues related to affordable housing, the racist history of zoning practices, and the awareness that accessory dwelling units provide an important option for wealth building for areas impacted by redlining and associated disinvestment.

In the 2018 AARP Home and Community Preferences Survey, LGBTQ+ individuals identified as having a higher likelihood to consider living in an ADU because of economic reasons. Also from that survey, African Americans reported having higher feelings of social isolation and lower rates of having someone to call if in trouble. LGBTQ+ reported similar data responses.

26. Disparities.

Will your project improve or address existing disparities (including racial or economic) in the community?*

Yes

PLEASE DESCRIBE: PLEASE COMPLETE SECTION WITH 2,000 CHARACTERS OR FEWER (INCLUDING SPACES).

The project will improve and address existing racial and economic disparities in the community because it will create greater awareness of current polices and inform more individual of reform efforts that can expand affordable housing options, create wealth building opportunities, and allow for more individuals to age in place in their own home in their community.

27. Accessibility.

Will your project focus on improving accessibility for people of all abilities?*

Yes

PLEASE DESCRIBE: PLEASE COMPLETE SECTION WITH 2,000 CHARACTERS OR FEWER (INCLUDING SPACES).

The project will focus on improving accessibility for people of all abilities because ADUs make excellent caretaker residences for those requiring in-home care or a housing option for those who wish to live independently but in close proximity to a caretaker or trusted loved one. The project focuses on encouraging housing options for people with disabilities to be located close to shopping and transit routes, medical and other supportive facilities.

28. Matching Funds and In-Kind Support.

Matching funds are not required. However, please detail any matching funds or in-kind support the organization will receive to contribute toward this project.

Please complete each section with 1,500 characters or fewer (including spaces).

Nonprofit

MATCHING FUNDS (\$)

IN-KIND SUPPORT

Private

MATCHING FUNDS (\$)

IN-KIND SUPPORT

Public

MATCHING FUNDS (\$)

\$2,500 from Louisville Metro Council District 21

IN-KIND SUPPORT

29. Project Budget.

Please specify what expenses will be covered by the grant. Itemize anticipated expenses and income (if any) for this proposal.

Please complete each section with 1,500 characters or fewer (including spaces).

Contracted services costs

EXPENSE:

\$10,000

ADDITIONAL INFORMATION:

Travel expenses, if any

EXPENSE:

n/a

ADDITIONAL INFORMATION:**TOTAL REQUESTED****EXPENSE TOTAL:**

\$10,000

30. How will you use AARP branding?*

Please complete section with 2,000 characters or fewer (including spaces).

AARP branding (name/logo) will be used on all digital marketing, press releases, and social media posts to ensure public awareness of the grant and AARP's participation in the project. AARP will be listed as a project sponsor and partner. AARP is regarded as a trusted organization amongst many community members who will benefit from this project.

31. Other Funding.

AARP might be contacted by other potential funders that could be interested in funding projects that were not funded through the AARP Community Challenge. The potential funders may have additional process steps and funding requirements than those of the AARP Community Challenge. If requested, AARP would like to send your contact information, organization name and a short description of your proposal, including the community where the project would take place ("Project Information"). Please note that these projects will be subject to any potential funder's own terms, conditions and review. Please indicate in your application whether or not you give permission to AARP to share your Project Information with other potential funders. If you select "yes," you agree on behalf of yourself and your organization to release AARP and its affiliates and their respective officers, directors, employees, contractors, agents and representatives from all liability associated with sharing the Project Information with potential funders. We will alert you before this Project Information is given to potential funders.

Do you give AARP permission to share this Project Information with other organizations that might be interested in funding your project?*

Yes

An opportunity for other possible AARP funding.

Please note that by submitting a proposal for the AARP Community Challenge initiative, you and your organization give AARP permission to reach out to you and others at your organization about other possible AARP funding opportunities that your proposal may be eligible for based on the AARP Community Challenge criteria. However, please note that AARP is not obligated in any way to consider your proposal for any additional AARP funding.

NOTIFICATION

When you SUBMIT this application, you will receive a confirmation email within the hour. If you do NOT receive a submission confirmation, you may not have submitted it successfully. Please go back and make sure you completed all required questions and did not go over the text box character limits.

All applicants will be notified of their funding status by email in June. In order to receive funding, selected applicants must execute and return a binding Memorandum of Understanding and completed financial forms to the AARP National office.

If the application does not advance when you click next, you likely did not complete all required questions or went over a text limit. Scroll to the top of the page to see if there is an error message.
