If any unit owner fails to undertake any such maintenance, repair, or replacement within 10 days after the Board of Directors notifies such unit owner in writing that the Board of Directors has determined that such maintenance, repair, or replacement is the responsibility of such unit owner under this section, the Board of Directors may undertake such maintenance, repair, or replacement, and the cost thereof shall be a lien on the unit owned by such unit owner until paid by the unit owner, and such lien shall be subject to the same remedies as are provided in this Master Deed for nonpayment by a unit owner of common charges and assessments.

(F) Alteration or improvements of units and common elements.

No alteration or improvement to any common element or to the unit which would alter or affect the common elements or any other unit may be made by any unit owner other than the Declarant without the prior written consent of the Board of Directors. (B) Interest in common elements

Each unit shall have appurtenant to it that percentage interest in the common elements which the floor area of the unit bears to the sum of the floor area for all units (which percentage interest is set forth on Exhibit B attached and made a part of this Master Deed), and each unit owner shall bear the same percentage of the common expense of the condominium project. The undivided interest in the common elements shall not be separated from the unit to which it appertains and shall be deemed conveyed or encumbered with the unit even though such interest is not expressly mentioned or described in the instrument of such conveyance.

(C) Common elements to remain undivided

The common elements shall remain undivided and no unit owner shall bring any action for partition or division unless otherwise provided herein or by law.

(D) Adjustments in percentage of ownership

Except as provided in Article XII of this Master Deed and as otherwise may be expressly provided herein, the percentages of ownership in the common elements set forth in Exhibit B attached to this Master Deed shall remain constant regardless of the purchase price paid for any unit at any time. Except as provided in Article XII of this Master Deed and as otherwise may be expressly provided herein, no adjustment in percentages of ownership shall be made without the prior written approval of all unit owners, and all holders of record of first mortgages on all units in the condominium project for which the percentages of ownership are being adjusted.

(E) Use of common elements

The common elements shall be used for the benefit of the unit owners, the furnishing of services and facilities for which the same are reasonably intended, and for the enjoyment to be derived from such proper and reasonable use. ARTICLE V
Assessments

(A) Share of common expense

Each unit owner shall be personally liable for the proportionate share of the common expenses and shall share in the common surplus (after due allowance for the retention of any reserve to cover future common expenses), such shares being the same as the unit owner's undivided share in the common elements as set forth in Exhibit B to this Master Deed. No unit owner shall be exempt from contributing toward such expenses by waiver of the use or enjoyment of the common elements or by abandonment of the unit owned by such unit owner or by claiming that the quantity or quality of services does not warrant such payment or is not as contemplated by such unit owner as of the time of purchase; provided, however, the Board of Directors may, but is not required to, abate or reduce a unit owner's contribution for a reasonable period of time during which the unit owned by such unit owner is uninhabitable as the result of damage or destruction.

(B) Interest; application of payments

Assessments and installments on such assessments paid on or before 10 days after the day when due shall not bear interest, but all sums not paid on or before 10 days after the date when due, including any sums due as a result of acceleration of unpaid assessments as may be provided in the Bylaws, shall bear interest from the date when due until paid at the rate of interest per annum provided in the bylaws. All payments upon account shall be first applied to interest and then to the assessment payment first due.

(C) Lien for assessments

Except as provided in Article V(E) of this Master Deed, any unpaid common expenses assessed to a unit owner shall constitute a lien against the unit owned by such unit owner and against such unit owner's interest in the condominium project prior to all other liens except the lien of a first mortgage on the unit and tax or assessment liens on the unit by the taxing subdivision of any governmental authority, including but not limited to state, county, city, and school district taxing agencies.

The Board of Directors shall have the right to promulgate the rules and regulations which may limit the use of the common elements to unit owners, their guests, permitted tenants, and invitees.

(F) Maintenance of common elements

The maintenance and operation, including landscaping, gardening, snow removal, cleaning, painting and all other repair, of the common elements, (including, but not limited to, the repair of major cracks in the slabs on which the units and garages are built) shall be the responsibility and expense of the Council, unless and except as otherwise expressly provided in the condominium documents, and the Board of Directors of the Council, pursuant to authority found at Article VI of this Master Deed, shall have the authority to make all decisions of the Council as respects repairs and maintenance and the costs incurred pursuant thereto.

(G) Alteration and improvement of common elements

The Board of Directors shall have the right to make or cause to be made such alterations and improvements to the common elements as, in the opinion of the Board of Directors, may be beneficial and necessary. The cost of any such alterations and improvements to the common elements shall constitute a part of the common expenses. When, in the sole opinion of the Board of Directors, the costs therefor shall be exclusively or substantially exclusively for the benefit of unit owner(s) that requested the alteration or improvement, the cost shall be assessed against such unit owner(s) in such proportion as the Board of Directors, in its discretion, reasonably shall determine is fair and equitable.

ARTICLE IV
Limited Common Elements

(A) Limited common elements

The limited common elements of the condominium project are areas which are reserved for the use of unit owners of a certain unit or units to the exclusion of the unit owners and/or occupants of other units. The limited common elements of the condominium project include any attics, patios, decks or porches adjacent to or associated with a particular unit and intended for use exclusively by occupants of that particular unit, and shall also include automobile parking areas and storage areas designated as being intended for the exclusive use of a unit or units pursuant to the plans.

(B) Limited common elements to remain undivided

The limited common elements shall remain undivided and no unit owner shall bring any action for partition or division unless otherwise provided by law. Any covenant to the contrary shall be void.

The lien created by this section shall be deemed to be incorporated by reference in and reserved by each deed or other instrument conveying any interest in a unit whether or not such deed or instrument by its express terms refers to said lien. In addition to any other remedies or liens provided by law, if any unit owner is in default in the payment of any common expenses assessed to such unit owner for 30 days, including any sums due as a result of acceleration of unpaid assessments as may be provided in any of the condominium documents, the Council may bring suit for and on behalf of itself and as representative of all unit owners to enforce collection of the assessment and all costs of collection thereof, including reasonable attorney fees, and to foreclose the aforesaid lien in accordance with the laws of the Commonwealth of Kentucky, in like manner as a mortgage on real property. The lien for unpaid assessments shall also secure legal interest and reasonable attorney fees incurred by the Council incident to the collection of such assessment or enforcement of such lien. In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid common charges, the unpaid balance shall be charged to all unit owners as a common expense.

(D) Transfer of units

A unit owner shall not be liable for any common expenses accruing after the sale of his unit and the recording of a deed to the purchaser. The purchaser of a unit subject to any lien arising under this Master Deed prior to the date of purchase and the recording of the deed shall take title to the unit subject to the lien; provided, however, that, at the request of any unit owner or a prospective purchaser of the unit, the Board of Directors shall provide a statement disclosing whether the unit owner is then in default under any of the obligations hereunder and whether and in what amount a lien exists against the unit owned by the unit owner under the section hereof entitled "Lien for Assessments," which statement shall be conclusive as to the facts stated therein as against the Council and the other unit owners and may be relied upon by a prospective purchaser or mortgagee or assignee of any mortgagee upon the unit of such unit owner.

(E) Limitation on mortgage liabilities

Where the mortgagee of a first mortgage of record or the purchaser or purchasers of a unit obtain title to the unit as a result of foreclosure of a first mortgage, or by voluntary conveyance in lieu of such foreclosure, said mortgagee or purchaser shall not be liable for the shares of common expenses or assessments by the Council pertaining to such unit or chargeable to a former unit owner of such unit which became due prior to acquisition of title by said mortgagee or purchaser as a result of the foreclosure or voluntary conveyance in lieu of said foreclosure. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the other unit owners of units, including a successor or assign of the mortgagee. The waiver of liability granted herein for the payment of past due assessments shall not apply to a unit owner who takes back a purchase money mortgage or to any other mortgagee which is not an "institutional mortgagee." The term "institutional mortgagee" herein used shall mean a first mortgage holder which is a bank, savings and loan association, life insurance company, pension fund, trust company, credit union, or other similar institutional lender.

(F) Rental pending foreclosure

In any foreclosure of a lien for assessments, the unit owner of the unit subject to the lien shall be required to pay a reasonable rental for the unit, and the Council shall be entitled to the appointment of a receiver to collect the same.

(G) Anything to the contrary contained in this Master Deed or in the Bylaws of the Council notwithstanding, until the Declarant transfers control and management to the Council, the Declarant shall not be liable for the payment of any assessment, monthly or otherwise, for common expenses or for reserve or contingency accounts, and the units owned by the Declarant, prior to the Declarant transferring control to the Council, shall not be subject to any lien therefor; and the Declarant shall not have any liabilities of a unit owner. The Declarant shall, however, until the Declarant transfers control to the Council, be responsible for the maintenance costs of the condominium project incurred over and above assessments or amounts paid by unit owners for common expenses and other appropriate charges.

ARTICLE VI

The management and operation of the condominium project shall be the responsibility of the Council, acting through the Board of Directors and the elected officers thereof, and the Council shall fulfill its functions pursuant to the provision of the condominium documents.

(B) Bylaws

The Bylaws adopted by the Council from time to time shall be the Bylaws of the condominium project.

(C) Rules and regulations

Each unit owner's ownership and use of the unit(s) owned by such unit owner shall be subject to the Rules and Regulations promulgated by the Board of Directors from time to time, applicable to all unit owners including Declarant. Such Rules and Regulations shall have the same force and effect as, and shall be enforceable in the same manner as, the provisions of this Master Deed. A copy of the Rules and Regulations, including any amendments thereto, shall be furnished by the Council to all unit owners and residents of the condominium project upon request.

(D) Limitation upon liability of council

Notwithstanding the duty of the Council to manage, operate, maintain, and repair the condominium project, subject to and in accordance with the provisions of the condominium documents, the Council shall not be liable to unit owners for injury or damage, other than the cost of maintenance and repair, caused by any latent condition of the condominium project required to be maintained and repaired by the Council, or caused by the weather or other element, or by other unit owners or persons, including, but not limited to, defects which are the result of characteristics common to the materials used, damage due to ordinary wear and tear and normal use, and damage

due to wind, rain, snow, hail, and condensation on or expansion or contraction of materials due to weather.

(E) Board of Directors

The members of the Board of Directors shall be elected and serve and shall have the duties and powers as provided in the Articles of Incorporation and Bylaws. The Board of Directors shall have the right to delegate its duties to a managing agent. The Board of Directors shall be the final arbiter of any dispute concerning the operation of the condominium project and the interpretation and effect of the condominium documents.

(F) Declarant's written consent necessary for certain actions

Anything to the contrary contained in any of the condominium documents notwithstanding, during the interval (the "declarant's marketing interval") from the date of recordation of this Master Deed until the earlier of such time as (1) Declarant or its designee(s) shall cease to own any units in the condominium project, or (2) seven (7) years from the date of recording this Master Deed, or (3) prior thereto, at the sole election of the Declarant, the Board of Directors may not, without the Declarant's prior written consent, (1) amend any of the condominium documents; (2) make any addition, alteration, or improvement to the common elements or to any unit; (3) assess any common charges for the creation of, addition to, or replacement of all or part of a reserve, contingency, or surplus fund if the effect of such assessment would be to increase the amount of such reserve, contingency, or surplus fund in excess of an amount equal to that proportion of the then existing budget which the amount of reserves in the initial budget of estimated expenses for the condominium project bears to the total amount of such initial budget of estimated expenses; (4) hire any employee in addition to the employees, if any, provided for in the initial budget; (5) enter into any service or maintenance contract for work not covered by contracts in existence on the date of the first closing of title to a unit; (6) borrow money on behalf of the condominium project; or (7) reduce the quantity or quality of service to or maintenance of the condominium project. During the Declarant's marketing interval, an irrevocable power of attorney coupled with an interest is hereby granted and reserved unto Declarant, its successors and assigns (however, individual unit owners are not included within the meaning of successors and assigns as used in this paragraph) to amend any condominium document so long as any such amendment does not (1) increase the share of common expenses which are the obligation of unit owners other than Declarant at the time of such amendment, or (2) materially alter the responsibilities and obligations of Declarant as developer of the condominium project to other unit owners under the condominium documents.

(G) Approval or disapproval of matters

Whenever the decision of a unit owner is required upon any matter, whether or not the subject of a Council meeting, such decision shall be expressed by the same person who would cast the vote of such unit owner if in a Council meeting, unless joinder of all unit owners of record is specifically required by the applicable provision of the condominium documents.

Each unit owner shall have an easement in common with all other unit owners to use all pipes, wires, ducts, cables, conduits, public utility lines, and other common elements located in any of the other units and serving the unit(s) of such unit owner. The named insured shall be the Council individually and as agent for the unit owners, without naming them, and as agent for the mortgagees of the unit owners. Provision shall be made for the issuance of mortgagee endorsements and memoranda of insurance to the mortgagees of unit owners. Such policies shall provide that payments by the insurer for losses shall be made to the insurance trustee designated below, and all policies and their endorsements shall be deposited with the insurance trustee. Unit owners may obtain coverage at their own expense for their own units, their own personal property, and other risks.

(B) Coverage

(1) The building, common elements, and other improvements upon the land shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors on behalf of the Council; provided, however, the Council shall not be required to insure any part of the condominium project within the boundaries of individual units except structural columns, load-bearing walls and pipes, conduits, wires, or other installations for the provision of services to the entire building. All personal property included in the common elements shall be insured for its value, as determined annually by the Board of Directors on behalf of the Council. Such coverage shall afford protection against:

(a) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and

(b) Such other risks as from time to time shall be customarily covered with respect to building similar in construction, location, and use as the building on the land, including, but not limited to, vandalism and malicious mischief, earthquake, and plate glass insurance.

(2) Public liability insurance coverage shall be provided in such amounts and with such coverage as shall be required by the Board of Directors and with cross liability endorsement to cover liabilities of the unit owners jointly and severally and of the Council.

(3) Workers' compensation insurance to meet the requirements of Kentucky law.

(4) Blanket fidelity insurance coverage for anyone, including any management agent, who either handles or is responsible for funds held or administered by the Council, whether or not that individual receives compensation for services, in an amount equal to the maximum

funds that will be in the custody of the Council at any time but in no event less than an amount equal to three months of assessments on all units. Said policy shall name the Council as the insured and all premiums for said policy shall be paid as a common expense. Said policy may not be cancelled or substantially modified for any reason without ten (10) days written notice to the Council.

(5) Such other insurance as the Board of Directors from time to time shall determine is desirable.

(C) Premiums

Premiums upon insurance policies purchased by the Council shall be paid by the Council as a common expense; provided, however, that, should the amount of any insurance premium be affected by a particular use of a unit or units, the owner or owners of such unit or units shall be required to pay any increase in premium resulting from such use.

(D) Insurance trustee

All insurance policies purchased by the Council shall be for the benefit of the Council and the unit owners and mortgagees of the units as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to Grange Insurance Company, as trustee, or to such other bank in Kentucky with trust powers as may be designated as insurance trustee by the Board of Directors, which trustee is referred to in this instrument as the "insurance trustee." Payment of premiums, renewal and sufficiency of policies, settlement of claims with insurers, and collection of insurance proceeds shall be the responsibility of the Board of Directors, and the sole duty of the insurance trustee shall be to receive such proceeds as are paid and hold the proceeds in trust for the purposes elsewhere stated in this Article.

(E) Shares of the proceeds; mortgagees

The insurance trustee shall hold all insurance proceeds covering property losses in shares, which shares need not be set forth on the records of the insurance trustee, as follows: each unit owner shall have an undivided share in such proceeds, such share being the same as the undivided share in the common elements appurtenant to the unit(s) owned by such unit owner as set forth in Exhibit B to this Master Deed. In the event a mortgagee endorsement has been issued with respect to a unit, the share of the unit owner shall be held in trust for the mortgagee and the unit owner as their interests may appear; provided, however, that no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds which, pursuant to the provisions of this Article, are to be held by the insurance trustee, except distributions of such proceeds made pursuant to this Article.

(F) Distribution of proceeds

Proceeds of insurance policies received by the insurance trustee shall be distributed to or for the benefit of the beneficial owners in the following manner:

(1) Expense of the trust

All expenses of the insurance trustee shall be paid first or provision made for such payment.

(2) Reconstruction or repair

If the damage for which the proceeds are paid is to be repaired or reconstructed substantially in accordance with the original plans for the building, the remaining proceeds shall be paid to defray the cost of such as provided in Article IX of this Master Deed. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners, remittances to unit owners and their mortgagees being payable jointly to them. All mortgages and other liens existing against any unit(s) at the time of damage shall attach to such repaired or reconstructed unit(s) in the same priority as existed prior to such damage. All such repaired or reconstructed units shall bear the same unit numbers as those of the original units and shall retain the same percentage of ownership in the common elements as those of the original units (subject to "as built" adjustment as may be required by statute. If the damage for which the proceeds are paid is not to be repaired or reconstruct in accordance with the original plans for the building as permitted by Article IX of the Master Deed, the mortgagees of units in that building may demand that the remaining proceeds be applied to reduction of the mortgage debt on such units up to the total amount of the mortgage debt then due. Any proceeds remaining after such application to reduction of the mortgage debt shall be paid to defray the costs of repair and reconstruction as provided in the Article of this Master Deed entitled "Reconstruction or Repair after Casualty." This section is a covenant for the benefit of any mortgagee of a unit and may be enforced by such mortgagee.

(3) Failure to reconstruct or repair

If it is determined in the manner provided in Article IX of this Master Deed that the damage for which the proceeds are paid shall not be reconstructed or repaired, the net proceeds remaining after all mortgages on the damaged or destroyed building have been paid shall be distributed in the manner determined by all of the unit owners at the special meeting of the Council provided by Article IX(A), provided that such distribution complies with the provisions of the Horizontal Property Law as amended.

(4) Certificate

In making distribution to unit owners and/or the mortgagees of the units, the insurance trustee may rely upon a certificate of the Council made by its president and secretary as to the names of the unit owners and their respective shares of the distribution, and the insurance trustee shall have no liability to the Council or to any unit owner for any distribution made in reliance upon such a certificate.

(G) Council as agent

The Council is irrevocably appointed for each unit owner and for each holder of a mortgage or other lien upon a unit and for each owner of any other interest in the condominium project to adjust all claims arising under insurance policies purchased by the Council and to execute and deliver releases upon the payment of claims.

ARTICLE IX

Reconstruction or Repair after Casualty

(A) Determination to reconstruct to repair

If any part of the condominium project shall be damaged or destroyed by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

(1) Common element

If the damaged or destroyed improvement is a common element (other than portions of the building), the damaged or destroyed property shall be reconstructed or repaired.

(2) Building

If the damaged or destroyed improvements is one or more of the buildings, such building or buildings also shall be reconstructed or repaired except that, as to each building (if any) as to which more than two-thirds of such building has been destroyed, such building shall not be reconstructed or repaired if (and only if) (a) all of the unit owners of units in such building shall agree in writing within 30 days after the date of the occurrence of such destruction that they desire that such building not be repaired or reconstructed and request the secretary of the Council in writing to call a special meeting of the unit owners for the purpose of deciding whether such building shall be repaired or reconstructed, and (b) unit owners of units in the entire condominium project to which greater then 67% of the common elements are appurtenant and by eligible mortgage holders who represent at least fifty-one percent (51%) of the common elements shall vote not to repair or reconstruct such building at the meeting of all of the unit owners, which shall be duly called by the secretary of the Council within 10 days after the receipt by the secretary of the written request from the unit owners of the affected building. In the event the building is not reconstructed or repaired, the unit owners of such building (and their mortgagees) shall be entitled to receive their proportionate share of the insurance proceeds payable as a result of such destruction, and the Board of Directors shall cause the Master Deed to be amended to revise the allocation of the common elements amount the units located in the remaining buildings according to the proportion which the floor area of each such unit bears, respectively, to the sum of the floor area for all of remaining units.

(3) Certificate

The insurance trustee may rely upon a certificate of the Council made by its president and secretary to determine whether or not the damaged or destroyed property is to be reconstructed to repaired.

(B) Manner of reconstruction

The original plans for the condominium project shall be the property of the Council and shall be kept by the Board of Directors in a fire-proof safe or safe deposit box. Any reconstruction or repair must be substantially in accordance with the original plans, or, if not, then according to plans and specifications approved by the Board of Directors and, by all mortgagees of units in the damaged or destroyed building.

(C) Responsibility

If the damage is only to those parts of a unit for which the responsibility of maintenance and repair is that of the unit owner, then the unit owner shall be responsible for reconstruction and repair after casualty. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Council.

(D) Estimate of costs

Immediately after a determination is made to rebuild or repair damage to property for which the Council has the responsibility of reconstruction and repair, the Council shall obtain reliable and detailed estimates of the cost to rebuild or repair.

(E) Assessments

If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Council, or if, at any time during reconstruction and repair, or upon completion of reconstruction and repair, the proceeds are determined to be insufficient, assessments shall be made against the unit owners in amounts sufficient to provide funds for the payment of such costs. Such assessments against unit owners for damage to units shall be in proportion to the cost of reconstruction and repair of their respective units. Such assessments on account of damage to common elements shall be in proportion to the share in the common elements appurtenant to the unit owned by such unit owner as set forth in Exhibit B to this Master Deed.

(F) Construction funds

The funds for payment of costs of reconstruction and repair after casualty, which shall consist of proceeds of insurance held by the insurance trustee and funds collected by the Council from assessments against unit owners, shall be disbursed in payment of such costs in the following manner:

(1) Council

If the total of assessments made by the Council in order to provide funds for payments of costs of reconstruction and repair that is the responsibility of the Council is more than \$10,000.00, then the sums paid upon such assessments shall be deposited by the Council with the insurance trustee. In all other cases the Council shall hold the sums paid upon such assessments and disburse them in payment of the costs of reconstruction and repair.

(2) Insurance trustee; construction fund

The proceeds of insurance collected on account of a casualty, and the sums deposited with the insurance trustee by the Council from the collections of assessments against unit owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(a) Council--lesser damage

If the amount of the estimated cost of the reconstruction and repair that is the responsibility of the Council is less than \$10,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Council; provided, however, that, upon request to the insurance trustee by a mortgagee that is a beneficiary of an insurance policy the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided for the reconstruction and repair of major damage.

(b) Council--major damage

If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Council is more the \$10,000.00, then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Directors and upon approval of an architect licensed to practice in Kentucky and employed by the Council to supervise the work.

(c) Unit owner

The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with a unit owner shall be paid by the insurance trustee to the unit owner, or if there is a mortgagee endorsement as to the unit, then to the unit owner and the mortgagee, jointly, who may use such proceeds as they determine.

(d) Surplus

It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; provided, however, that the part of the distribution to a beneficial owner that represents assessments paid by such owner into the construction fund shall not be made payable to any mortgagee.

(e) Certificate

Any provisions of this Master Deed to the contrary notwithstanding, the insurance trustee shall not be required to determine whether or not sums paid by the unit owners upon assessments shall be deposited by the Council with the insurance trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Council or upon approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine the payee nor the amount paid. Instead, the insurance trustee may rely upon a certificate of the Council made by its president and secretary as to any and all of such matters and stating that the sums to be paid are due and properly payable and stating the name of the payee and the amount to be paid; provided that when a mortgagee is required in this instrument to be named as payee, the insurance trustee shall also name the mortgagee as a payee of any distribution of insurance proceeds to a unit owner; and further provided that when the Council, or a mortgagee that is the beneficiary of an insurance policy whose proceeds are included in the

construction fund, so requires, the approval of an architect named by the Council shall be first obtained by the Council upon disbursements in payment of costs of reconstruction and repair.

(G) Eminent domain

Appropriation, taking, injury to or destruction of, or condemnation by eminent domain be federal, state, or local government or any instrumentality thereof of any portion of the condominium project, respectively, shall be considered to be included in the terms "damage and destruction" for purposes of this Article, and the decision whether or not to restore, insofar as is possible, the building of which two-thirds or more is taken, and the proceeds of the eminent domain taking, respectively, shall be treated in the same manner as is provided in this Master Deed upon the occurrence of damage and destruction to the condominium project. The Board of Directors shall give to all holders of first mortgages on units prompt notice of any eminent domain proceedings, and the distribution of the proceeds of any eminent domain proceeding shall be subject to the provisions of Article VIII(F) with respect to the rights of the holders of mortgages on units.

ARTICLE X
Sale and Mortgaging of Units

(A) Right to sell units

The unit owner of each unit shall have the right to sell such unit and the common elements appurtenant thereto, subject to all of the provisions of the condominium documents.

(B) Grantee to be liable with grantor for unpaid common charges

In any conveyance of a unit either by voluntary instrument, operation of law, or judicial proceedings in accordance with this Master Deed or Bylaws, the grantee of the unit shall be jointly and severally liable with the former unit owner for any unpaid common charges against the latter assessed and due up to the time of the grant or conveyance without prejudice to the grantee's right to recover from the former unit owner the amounts paid by the grantee therefor. "Grantee" as used in this section shall not include either the holder of an institutional mortgage of record or a purchaser of a unit at a foreclosure sale of an institutional mortgage.

(C) Rights of Mortgage Holders, Insurers, or Guarantors

The holder, insurer, or guarantor of a mortgage on any Unit shall have the right to timely written notice of (1) any condemnation or casualty loss that affects either a material portion of the project or the unit securing its mortgage; (2) any 60-day delinquency in the payment of assessments or charges owned by the owner of any unit on which it holds the mortgage; (3) a lapse, cancellation, or material modification of any insurance policy maintained by the Council; and (4) any proposed action that requires the consent of a specified percentage of eligible mortgage holders. Any such mortgage holder, insurer or guarantor must submit a written request for this information to the Council, stating both its name and address and the number or address of the unit on which it has (or insures or guarantees) the mortgage. Eligible mortgage holders shall include those holders of a first mortgage on a Unit who have submitted a written request that the Council notify them on any proposed action requiring the consent of a specified percentage of eligible mortgage holders.

ARTICLE XI
Obligations of Unit Owners and Remedies upon Default

- (A) All unit owner and tenants subject to condominium documents which run with the land

All present or future unit owners, tenants, occupants, or any other person that might use the condominium project in any manner are subject to the terms and provisions of the condominium documents, as they may be amended from time to time, and the decisions of the Council acting through the Board of Directors acting, in turn, through its resolutions, the officers of the Council, and the managing agent. The acceptance of a deed or conveyance or entering into of a lease, or the entering into occupancy of any unit shall signify that the provisions of the condominium documents, and the decisions of the Board of Directors are accepted and ratified by such unit owner, tenant, or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such units, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease of the unit.

- (B) Remedies upon default

Failure of a unit owner (or other person subject to the condominium documents) to comply with the provisions of the condominium documents shall entitle the Council (and the Declarant, in the proper case) to the following remedies provided by the Horizontal Property Law and by any other provisions of the condominium documents:

(1) The right to enter any unit or any portion of the condominium project upon which, or as to which, such violation or breach exists which requires emergency attention or emergency repairs, and on an emergency basis to abate and remove, at the expense of the defaulting unit owner, any structure or thing or condition that may exist in violation of the condominium documents; and the Council, or its employees or agents, shall not thereby be deemed guilty of trespass.

(2) The right to enjoin, abate, or remedy by appropriate legal proceedings, at law or equity, the continuance of any breach; and, pursuant to the appropriate court action, the right, if any unit owner or any occupant of his unit shall continue to be in violation of the aforesaid documents and rules and regulations for 30 days after notice in writing from the Council, to issue to the defaulting unit owner a 10-day notice in writing to terminate the rights of said unit owner to continue as a unit owner and to continue to occupy, use, or control his unit and to file a suit in equity against the defaulting unit owner for a mandatory injunction against the unit owner or occupants or, in the alternative, a decree declaring the termination of the defaulting unit owner's right to occupy, use, or control the unit and ordering that the unit shall be sold at a judicial sale upon such notice and terms as the court shall establish, except that the defaulting unit owner shall not be entitled to reacquire the unit at such sale or by virtue of right of redemption.

- (C) Cost and attorney fees

In any proceeding arising because of an alleged failure of a unit owner or the Council to

comply with the terms of the condominium documents, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorney fees as may be awarded by the court.

(D) No waiver of rights

The failure of the Council or any unit owner to enforce any covenant, restriction, or other provision of the Horizontal Property Law or the condominium documents shall not constitute a waiver of the right to do so thereafter.

(E) Rights are cumulative

All rights, remedies, and privileges granted to the Council, Declarant, the Board of Directors, its designated agent(s), or a unit owner, pursuant to any terms, provisions, covenants, or conditions of the condominium documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies, or privileges as may be granted to such party hereunder, under the other condominium documents, or at law or in equity.

ARTICLE XII

Amendment to Declaration

After such time as Unit Owners are entitled to exercise a vote in the Council as described in Section VI(F), this Master Deed may be modified, altered, amended, or added to at any time, as long as consistent with the design, scheme and purposes of this Master Deed and as long as such amendment does not materially and adversely affect the value of a Unit Owner's property and by an instrument signed by Unit Owners who represent not less than sixty-seven percent (67%) in interest in common elements and by eligible mortgage holders who represent at least fifty-one percent (51%) in interest in common elements that are subject to mortgages held by eligible holders. A change to any of the provisions governing the following would be considered as material:

- a) voting rights;
- b) increases in assessments that raise the previously assessed amount by more than 25%, assessment liens, or the priority of assessment liens;
- c) reductions in reserves for maintenance, repair and replacement of common elements;
- d) responsibility for maintenance and repairs;
- e) reallocation of interests in the general or limited common elements, or rights to their use;
- f) redefinition of any unit boundaries;
- g) convertibility of units into common elements or vice versa;
- h) expansion or contraction of the project, or the addition, annexation, or withdrawal of property to or from the project;
- i) hazard or fidelity insurance requirements;
- j) imposition of any restrictions on the leasing of units;
- k) imposition of any restrictions on a unit owner's right to sell or transfer his or her unit;

- l) restoration or repair of the project after damage or partial condemnation in a manner other than that specified in the Master Deed; and
- m) any provisions that expressly benefit mortgage holders, insurers, or guarantors.

No such agreement to amend, in whole or in part, shall be effective unless approved by the Board of Directors and unless written notice of the proposed amendment is sent to every member at least thirty (30) days in advance of any action taken. An instrument evidencing the change and signed by the president or any vice president of the Council shall be duly recorded in the Office of the Jefferson County Clerk. Such instruments need not contain the written consent of any unit owners but shall contain the verified statement and certification of the secretary or other officer of the council not otherwise signing the instrument that the requirements of this section have been satisfied.

ARTICLE XIII General

(A) Severability

The invalidity of any provision of this Master Deed shall not be deemed to impair or affect in any manner the validity, enforceability, or effect of the remainder of this Master Deed, and, in such event, all of the other provisions of this Master Deed shall continue in full force and effect as if such invalid provision had never been included herein.

(B) Waiver

No provision contained in this Master Deed shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

(C) Captions

The captions herein are inserted only as a matter of convenience, and in no way define, limit, or describe the scope of this Master Deed nor the intent of any provision hereof.

(D) Gender

The use of the masculine gender in this Master Deed shall be deemed to refer to the feminine gender whenever the context so requires.

REGIME AND MASTER DEED ESTABLISHING
BRENT PARK CONDOMINIUMS**

This First Amendment to Declaration of Horizontal Property Regime and Master Deed Establishing Brent Park Condominiums ("Amendment") is made at the direction of and caused to be recorded by **BRENT STREET INVESTMENTS, LLC** (hereinafter referred to as the "Declarant"), a Kentucky limited liability company, having an office at 1038 Brent Street, Louisville, Kentucky 40204, as a supplement to the Master Deed establishing Brent Park Condominiums dated March 18, 2002.

WITNESSETH:

WHEREAS, this Amendment is necessary and desirable to amend Article IV of the Master Deed pursuant to Article VI(F) of the Master Deed;

NOW, THEREFORE, in accordance with the foregoing preambles, which are hereby incorporated herein, Declarant hereby declares that the real property ("Property"), more fully described on Exhibit A attached to the Master Deed and made a part hereof, shall be owned, held, used, leased, conveyed and occupied subject to the conditions and restrictions set forth in this Amendment as if these conditions and restrictions were included in and made a part of the Master Deed.

1. A new section (D) is hereby added to Article IV which shall read as follows:

(D) Screening of Limited Common Elements

A Unit Owner may screen around any patio, deck or porch designated on the Plans as being appurtenant to his/her/its Unit as a Limited Common Element upon written approval of any and all plans for same by Declarant or the Board of Directors, as the case may be. Except where such porch may attach to the building, the placement of any such screening may not encroach into any areas designated as Common Elements.
