There are existing wood utility poles at the N 38th & Wewoka Ave intersection and in front of 3816 Wewoka Ave so both locations would only need to lease the street light from LGE. The Type A LED cobra head street light that we recommend for residential areas is \$10.47 per month per light. LGE requires a minimum 5 year lease so the cost for both lights would be \$1,256.40 to cover the first 5 years of the lease.

Public Works will accept ~~\$1,265.40~~ ^{\$1,256.40} of NDF to fund one street light at the intersection of N 38th & Wewoka Ave and one street light near 3816 Wewoka Ave. sh

Attached is the response for the speed limit signs and we would need an NDF appropriation to install street lights on Wewoka, which I have not seen yet.

Hi Jeff,

Following up on the request to have additional lighting on the 3800 block of Wewoka. Also, again, the constituent are saying they are in need of a speed limit sign in the 3800 block of Wewoka. Please advise.

Thanks,

Councilwoman Purvis
